3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

- In view of the requirement of student's practicum, our Institution currently doesn't have certain equipment's and therefore our students don't perform supposed practicums prescribed by University syllabus. Therefore, IQAC recommends the management to support departments of Chemistry, Life Sciences (Biochemistry, Biotechnology, Microbiology), and Computer Science which altogether serve a large student community of 1500 undergraduates
- Moreover, the Laboratory instruments obtained from STAR Scheme provides access to individualized hands-on practical experience to perform fundamental practical's as well as graduate students from other programs have access to the obtained equipment's during interdepartmental courses activities.
- We look forward to Sign more number of MoU's with renowned laboratories and Industries for collaborative learning.
- Also we have decided to conduct an annual assessment among the students related to all important aspects like curriculum, infrastructure, teaching-learning process, etc.,
- We address the issues of publications, performances, and presentations, as appropriate here under.
- To enhance our faculty's publications activity to approximately three refereed journal papers (indexed by Thomson Reuters) annually and a similar number of abstracts, and we plan to maintain that approximate level of activity during the year.
- Moreover, we have determined to provide financial support to our faculties to present their work at national meetings at least twice a year on average.
- It is our hope that over the next three years we may have developed a solid body of teaching Research accomplishments at the Campus.

ABOUT THE INSTITUTIONS

MUTHAYAMMAL COLLEGE OF ARTS & SCIENCE

Muthayammal College of Arts & Science embarked on its career towards success in 1994 and still it is relentless to serve the cause of the rural students. By offering courses best suited to the global requirements, the college has acquired a reputation for its unique teaching methodology and holistic approach towards education.

The college offers 18 Undergraduate, 15 Postgraduate, 8 M.Phil and 7 Ph.D programmes catering to the changing needs of the industry. The learning environment in the college brings together the best of infrastructure and human resource enriching the treasure trove of knowledge the students aspire for.

Apart from a well designed curriculum for each subject, the college places equal importance on all-round development of the student. The college sees knowledge assimilation as an opportunity to encourage creative and innovative strategies to mastering the subject.

It sounds pleasant to specify that MCAS has been feathered with NAAC 'A' grade and 2(f) & 12(B) status.

National Institutional Ranking Framework (NIRF) has ranked MCAS 86th among the colleges in India. MCAS enjoys the 6th rank among the self financing colleges in Tamil Nadu.

MUTHAYAMMAL POLYTECHNIC INSTITUTION

The year 2010 saw the establishment of the Muthayammal Polytechnic Institution. The institution is one of its kind in the surrounding areas, designed exclusively to encourage vocational and job oriented training for students in technical subjects. The institution has separate infrastructural facilities and a host of other amenities to make it a state of the art learning institution. It offers 6 Diploma Courses in various subjects.

MUTHAYAMMAL COLLEGE OF EDUCATION

Sound programme of professional education of teachers is essential for the quality improvement of education. Injected by this spirit, Muthayammal Educational and Charitable Trust has launched the Muthayammal College of Education in 2015. Muthayammal College of Education has determined to evolve and implement a programme of Teachers' education that would aim at the integral development of prospective teachers. It also aims at equipping the students and the - teachers with the competencies requisite for dealing with the current issues of the choices and challenges of student teachers.

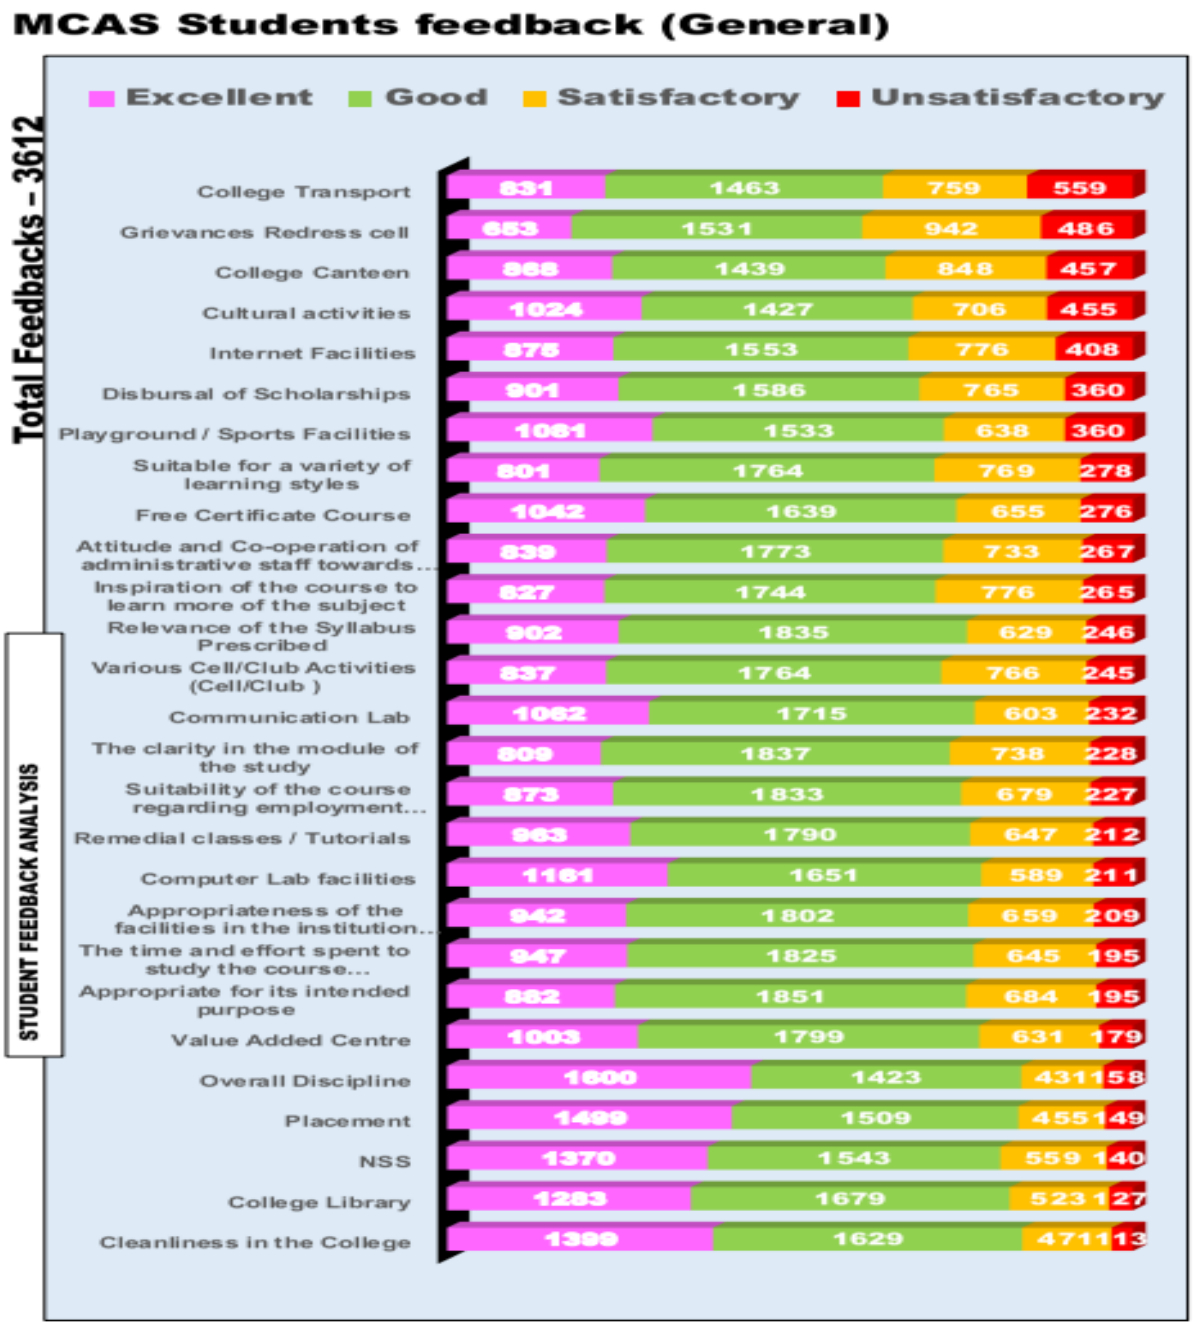
STUDENTS FEEDBACK 2017-18



ANNEXURE -III

BEST PRACTICE I

TITLE OF THE PRACTICE: KNOWLEDGE SHARING PROGRAM

Knowledge sharing is an activity through which knowledge (namely, information, skills, or expertise) is exchanged among people, friends, families, communities or organizations Organizations have recognized that knowledge constitutes a valuable intangible asset for creating and sustaining competitive advantages. Knowledge sharing activities are generally supported by knowledge management systems. However, technology constitutes only one of the many factors that affect the sharing of knowledge in organizations, such as organizational culture, trust, and incentives

GOAL:

- To Explicit Knowledge sharing to staff members
- To knowledge recipient can access the knowledge provider

CONTEXT:

In the digital world, websites and applications enable knowledge or talent sharing between individuals and/or within teams. The individuals can easily reach the people who want to learn, share their talent and get rewarded.

PRACTICES:

- Management has given sponsorship to the faculty members for participation of programs (FDP,TECH skills,Workshop,Refresher course etc)
- FDP coordinator has been appointed especially for the institution
- Tracking and monitoring the participants to give a Knowledge Sharing session in a scheduled date
- Free of Cost to Staff and students

PHOTO PROOF:

PROBLEM ENCOUNTERED AND RESOURCES REQUIRED

Some employees tend to resist sharing their knowledge because of the notion that knowledge is property; ownership, therefore, becomes very important.

In order to counteract this, individuals must be reassured that they will receive some type of incentive for what they create.

ULTIMATE OUTCOME

- **20 staff members had been organized the knowledge sharing program**
- **More than 300 staff members has benifitted**

BEST PRACTICE II

TITLE OF THE PRACTICE: NEWS PAPER CORNER

Benefits for the students to widen their knowledge to improve day to day information through the English.

GOAL:

- To develop the language of the students
- To motivate the students to their reading skill in English inside the block

CONTEXT:

The program deals with developing the students reading skill and updating day today information through the newspaper. The students can drop their in reading the newspaper corner and avail the opportunities to exchange their reading skills by which they can be aware of the affairs around the globe.

PRACTICES:

Students are entertained to read the newspaper even during the breaks. A staff has monitored them. The staff helps and guides the students read English with proper intonation and with pause wherever necessary.
