Programme Name : Energy Conservation

1. Objective : Platform for rural women to enhance their knowledge About Energy Conservation Awareness

2. Agenda

Date : 30.01.2024

Time : 10 AM

Venue : Vadugam Village

3. Subject/topic

An awareness program on Energy Conservation Awareness was organized in Vadugam village by the Community College of Rasipuram Muthayammal College of Arts and Science. In this event, Muthayammal College faculty and students explained to the public about the steps to be taken to energy conservation like if you're not in a room, flick the switch off. When your phone isn't charging, unplug that charger. That little move saves energy and keeps the environment happy.

EXTENTION ACTIVITY**

1. Objective

To learn about the AI tools, and Gmail account creation.

2. Agenda (Date & Time, Venue)

Date : 16.02.2024
Time : 10:00 A.M. to 12:30 P.M.
Venue : Venkateswara Middle school, Andagalore gate

3. Subject

- ❖ The main objective of the program is to learn AI and Gmail account creation for school students.
- ❖ To participate the students more program like technical and non-technical oriented.
- ❖ This Program was used to improve the Students skill and basic computer knowledge.

4. Photographs.

5. Feedback of the school students

- ❖ This session was very useful to us.
- ❖ We need more classes like this program.
- ❖ We learned about **AI** tools and its usage
- ❖ Learned about Gmail creation ,and user login page
- ❖ Known to send a Email
- ❖ Explore the Artificial intelligence technology
- ❖ The entire **AI** class was very productive and she was able to answer and explain any questions we had.

EYE CAMP

In collaboration with

Dr. Agarwal's Eye Hospital, Rasipuram

Date: 27/07/2023

Village : Thoppupatty, near Singalanthapuram, Rasipuram Tk, Namakkal Dt.

1. Introduction:

The camp aimed to provide free eye care services to the underserved population of the Thoppupatty village, raise awareness about eye health and promote early detection and treatment of eye conditions.

2. Objectives of the Camp:

- ⊕ To provide free eye checkups and vision screenings to the residents of Thoppupatty Village.
- ⊕ To identify and diagnose common eye conditions and refer severe cases to specialized eye care centers.
- ⊕ To educate villagers about the importance of eye health, preventive measures and regular eye checkups.
- ⊕ To foster a culture of proactive eye cares and promote the well being of the community.

3. Planning and Preparations:

The planning and execution of the Free Eye Checkup Camp involved meticulous planning and coordination between Department of Microbiology, Muthayammal College of Arts and Science, Rasipuram, Dr. Agarwal's Eye Hospital, Rasipuram and enthusiastic student volunteers.

Several crucial steps were undertaken during the planning phase:

Stakeholder Collaboration: Department of Microbiology, Muthayammal College of Arts and Science, Rasipuram collaborated with local health officials, eye care specialists, Dr. Agarwal's Eye Hospital, Rasipuram to ensure seamless execution and support for the camp. Permission was also obtained from Village Head, Thoppupatty.

Resource Mobilization: Necessary resources, including medical equipment, eye examination kits, prescription glasses, medications were made ready.

Volunteer Recruitment: Skilled optometrists, ophthalmologists, and student volunteers were made ready to conduct the checkups and assist during the camp.

Publicity and Outreach: The event was promoted through announcement pamphlet and social media to maximize participation and reach all corners of the village.

Pamphlet Distribution Photographs:

4. Execution of the Camp:

The Free Eye Checkup Camp was set up in a central location near Mariamman temple within Thoppupatty Village to ensure easy access for all residents. The camp commenced at 10:15 AM and continued until 2:30 PM, allowing sufficient time for thorough examinations. The step-by-step process of the camp was as follows:

Volunteers Involved: 20 Students

Staff Involved: 02 Staff (Dr.S.Anbalagan & N.Radhakrishnan, Assistant Professor, Department of Microbiology, MCAS)

Registration: A dedicated team of volunteers from Department of Microbiology, Muthayammal College of Arts and Science, Rasipuram handled the registration process. Basic information such as name, age, gender, and contact details were collected for record keeping.

Visual Acuity Test: Qualified optometrists conducted visual acuity tests for each participant to assess near and distant vision. The Snellen eye chart was used for this purpose.

Comprehensive Eye Examination: Individuals with abnormal visual acuity or reported eye issues underwent a comprehensive eye examination conducted by experienced ophthalmologists. This examination aimed to diagnose eye conditions like cataracts, glaucoma, diabetic retinopathy and other potential abnormalities.

Intraocular Pressure Measurement: Intraocular pressure (IOP) was measured using a non-contact tonometer to screen for glaucoma, a condition characterized by increased pressure within the eye.

Prescription and Eyeglasses Distribution: Individuals diagnosed with refractive errors were provided with prescription eyeglasses. A wide range of eyeglasses was available, catering to various prescriptions and needs. Opticians ensured proper fitting and comfort for each recipient.

Referrals: Individuals with severe eye conditions requiring specialized treatment were referred to Dr.Agarwal's Eye hospital, Salem eye care centers for further evaluation and management.

Eye Health Education: Concurrent with the checkup process, interactive awareness sessions were organized to educate the villagers about common eye diseases, the importance of regular eye checkups, maintaining eye hygiene, and protective measures against eye injuries.

5. Results and Impact:

The Free Eye Checkup Camp in Thoppupatty Village witnessed a remarkable turnout, with a total of 52 individuals participating in the camp.

The key outcomes and impact of the camp were as follows:

- ⊕ The eye health education sessions received an enthusiastic response from the villagers, indicating a positive change in their perception of eye care.
- ⊕ The camp successfully raised awareness about the importance of eye health and preventive measures, fostering a culture of proactive eye care within the community.

6. Conclusion:

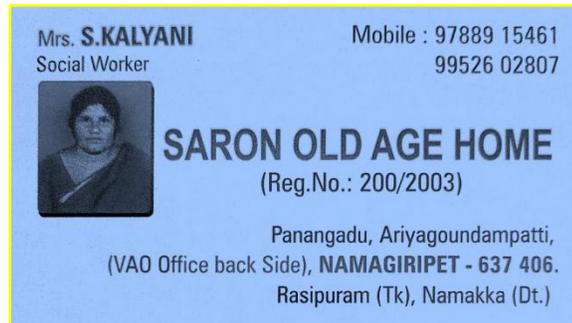

The Free Eye Checkup Camp conducted by Department of Microbiology, Muthayammal College of Arts and Science, Rasipuram and Dr. Agarwal's Eye Hospital, Rasipuram in Thoppupatty Village was a resounding success, serving as a testament to the power of community driven healthcare initiatives. The event not only provided essential eye care services to the underserved population but also created awareness about the importance of regular eye checkups and eye health in general.

The impact of this camp extends beyond the immediate services provided; it left a lasting impression on the villagers, empowering them to take charge of their eye health. Department of Microbiology, Muthayammal College of Arts and Science, Rasipuram remains committed to organizing such community-driven healthcare camps in the future, aiming to contribute positively to the health and well-being of society.

EXTENSION ACTIVITY
OLD AGE HOME VISIT AND HEALTH CHECKUP CAMP

DATE: 23/01/2024

OLD AGE HOME DETAILS:

OBJECTIVE:

The primary objective of the visit is to support old aged people and children in need of care and protection and to help destitute poor, neglected needy and orphan children and to provide the financial needs of the home by supporting with the things needed for the people.

INVITATION:

MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE (Autonomous)
A UNIT OF VANETRA GROUP

Affiliated to Periyar University, Salem
Accredited by NAAC with 'A' Grade
Recognized by UGC under Section 2(f) & 12 (B)
Recognized by STAR College Scheme - DBT (2018 -2021)

Old age Home Visit and Health Check up Camp

Organised By
Department of Microbiology

10:30 AM - 1 PM
23rd Jan 2024

Old age Home,
Namagiripet

DONATION

Facebook, Instagram, YouTube icons / Vanetra Muthayammal Institutions @ / @vanetra_mi @ / @VanetraMuthaya2 @ / www.vanetrargroup.in

AGENDA:

- ✦ 10.30 am starts from MCAS
- ✦ 11.05 am reached the old age home
- ✦ 11.15 am activities started
- ✦ 01.00 pm depart to MCAS
- ✦ 01.30 pm reached MCAS

PARTICIPANTS:

STUDENT : 17 Nos (Representatives of all classes)
STAFF : 02 Nos

ACTIVITIES DONE:

Seventeen students and faculty members of the Department of Microbiology paid a visit to SARON OLD AGE HOME at Panangadu in Namagiripettai on 23.01.2024. It was a charitable visit to create among the inmates of the Home a great hope and attachment to life.

The team of students and staff had friendly and cordially interacted with the deserted and the destitute to keep alive their moral strength and make them feel that there are people to care for them and their needs

With a benevolent attitude, rice, wheat flour, pulses, soaps, toothpaste, tooth brushes, clothes and towels worth about Rs.4,000 /- had been donated to them.

Extension Activity

Awareness Programme on Girl Child Education–

Pattanam Muniyappanpalayam

1. Objective:

Awareness programme(Girl child education)

2. Agenda:

Date:14/09/2023

Venue:Pattanam Muniyappanpalayam Village

Time:10.00 am – 1.00 pm

3. Subject/topic dealt with (minimum 5-10 lines):

25 Students and two faculty members of the department of Mathematics carried out an extension activity (CSR) at Pattanam Muniyappampalayam on 14-09-2023, Mrs.R.Parvatha Assistant professor of Mathematics and L.Gowtham, A Gowrishankar of II M.Sc Students are presented PPT highlighting the need for GIRL CHILD EDUCATION that would enable the women to claim their rights and enjoy equality in the society.

4. Photographs:

5. Feedback

Girls education is important for a better future. When a girl child is educated, nearly half the population is educated, thus reducing illiteracy that seems to be quite high in our country.

Health Check up Camp - Pattanam Muniyappanpalayam

Six Point Structure

1. Objective:

Health Check up Camp –“You can find you us”

2. Agenda:

Date: 22/02/2024

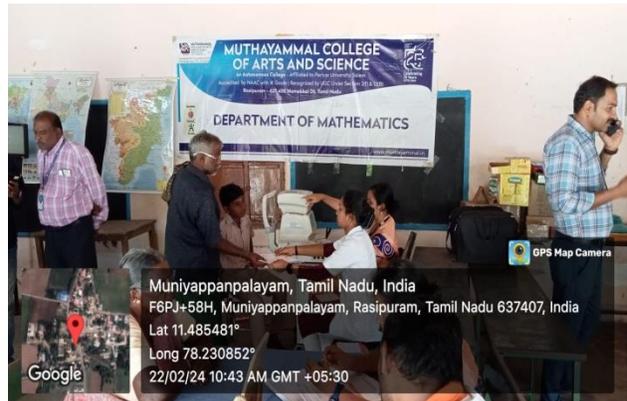

Venue: Pattanam Muniyappanpalayam Village

Time: 10.00 am – 2.00 pm

3. Subject/topic dealt with (minimum 5-10 lines):

We have conducted a health check-up camp at Pattanam Muniyappanpalayam Village. General health check-up camps (eye, ear, pressure, sugar) encourage people to prioritize their health amidst a busy work schedule. By offering these camps, village people know the importance of maintaining a healthy work-life balance, which leads to improved overall well-being and reduced stress levels among the people. The medical camp was very useful to the village people.

4. Photographs:

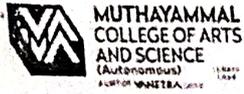

5. Feedback

107 people and 25 students benefited from this programme for eyes, ears, sugar and pressure treatments.

“EXTENSION ACTIVITY–AWARENESS ON FOOD ADULTERATION”

1. Objective:

To educate the people about the importance of food adulteration and simple experiments to find them

2. Agenda:

TOPIC: Awareness on Food Adulteration

Venue: Vadugum, Namakkal

Date: 18.08.2023

Time: 10:30 am to 3.00 pm

3. Subject/topic dealt with

The extension activity deals with the following points:

- Rural people are having less awareness about the kind of adulterants added to the food materials.
- The food materials like turmeric and chilli powder, milk, ghee, oil, honey, tea powder, spices etc., were used for finding the adulterants.
- Simple methods like dissolution in water and hot water were taught to village people to identify such adulterants.
- The side effects of these adulterants were also educated to the people.
- They were motivated to get unadulterated food particles and use home-made food to quench their hunger.

4. Photographs

5. Feedback:

- People learned about the simple experiments to find food adulterants.
- People learned about the various adulterants used and the side effects of these.
- People were motivated to avoid adulterated food and consume home-made foods.

6. Number of Faculty/Students Participated

- i. No. Of Staff Participated: 02 (**Mrs.A.DHIVYA & Mrs.T. VADIVU**)
- ii. No. Of Students Participated:13
- iii. No. of Beneficiaries: 84

Extension Activity on Suyathozhil Karpom, Vadugam

1. Objective:

To engage with the essence of innovation at the Suyathozhil Karpom for the benefit of the public at Vadugam village, Rasipuram. Led by the minds of our Chemistry Department, join us to explore the seeds of sustainable development of the Village people.

2. Agenda:

Extension activity : Suyathozhil Karpom

Venue : Vadugam, Rasipuram

Date : 31/01/2024

Time : 10:00A.M.–03:00P.M.

3. Subject/topic deal with(minimum5-10lines)

- ✓ The public were taught about to gain hands on skills to prepare cleaning materials.
- ✓ Demonstration on preparation of the products was also given.
- ✓ Preparation procedure of Phenyl, Soap oil, Soap and Detergent powder was shown.
- ✓ A brief introduction about the product was also given.

4. Photographs (for both FN and AN session)

The main objective behind celebrating the day is to conserve trees and animals that are on the verge of going extinct from the planet. The day also recognizes that a healthy environment is a foundation for a stable and productive society. This day also ensures the well-being of present and future generations.

World Nature Conservation Day is observed every year on July 28th to raise awareness of the importance of nature conservation. Around 56 Students and 2 staff members Participated in the "World Nature Conservation Day Celebration" organised by the Department of Biotechnology at Molapalayam village (an adopted village) on August 1, 2023. Our students participated in a variety of activities like tree plantations, cleaning of village, and creating awareness about nature conservation. A total of 50 plants were planted in and around the school and village grounds. And students were also involved in the cleaning of temples and villages. By creating awareness among the school students and village people, a total of 30 students and 25 village people benefited. Madheswari Saravanan, President, Molapalayam Panchayat, graced the occasion. Our students also explained the importance of nature conservation to the farmers. In this programme, the farmers of the adopted village expanded their knowledge about nature conservation.

FREE MEDICAL CHECKUP
CAMP

24.08.2023

Organized by
BIOTECHNOLOGY

The main objective of conducting the Free Medical checkup camp was to create awareness of general health among the people, provide general health care services and counseling them on basic healthcare and hygiene

A Free Medical Checkup Camp can be considered as a life-saving program that aims to provide free medical and surgical services to poor communities living in rural or urban areas by a mobile team with varieties of medical specialized services. Around 300 village peoples, 20 Students and 2 staff members Participated in the " Free Medical Checkup Camp " organized by the Department of Biotechnology at Molapalayam village (an adopted village) on August 24, 2023. The medical camp provide free tests for Diabetes, Blood Pressure, Hemoglobin, Dental Checkup etc and offers counseling & treatment by trained Doctors and Specialists. Free medicines are given to the people. Iron and Folic Acid supplements are also distributed to the malnourished at the camp. The underprivileged community also has aging members who are not able to purchase health care and access the facilities due to the long distance and other joint problems that have demobilized them. Doctors create awareness on the need for personal hygiene in prevention of serious disabling diseases such as eye and dental. The free medical camps also encourage the use of available nutritious food products in the area and discourage drug and substance abuse among the community members.

1. Objectives:

To create awareness about the importance of healthy soil and to maintaining healthy ecosystems.

To create awareness of the importance and relationship between soil and water in achieving sustainable and resilient agrifood system

2. Agenda

Schedule

06.12.2023

10.10 -10.45 AM -Rally, Singalanthapuram Eswaran kovil

11.00 - 11.30 AM - Refreshment

11.30 - 12.30 PM – Molapalayam village secretary Speech

12.30 -1.30 PM – Lunch

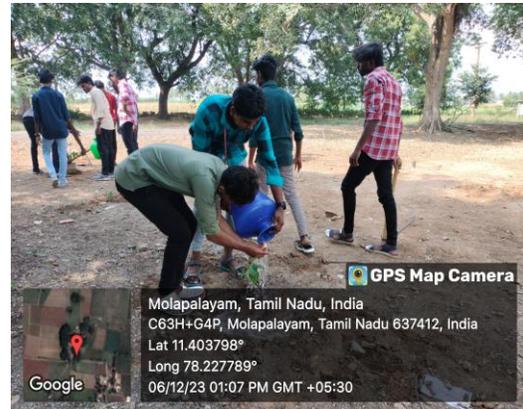

1.30 - 2.30PM – Plantation

3. Programme Title: “World Soil Day” - Awareness programme

4. Details of the programme:

World Soil Day is observed every year on December 5 to raise awareness of the importance of soil for the sustenance of life on earth. We also conducted a rally at Eswaran Kovil for Government High School, Singalanthapuram. To celebrate World Soil Day, we invited K. Murali, who is the Gramme Panchayat cretary. Being a farmer himself, he explained to us the importance of soil and how precious it is to farmers. He also explained the different types of soil available, what crops can be grown on it, and how to grow paddy. 55 students and 2 employees I participated in the “World Soil Day” celebration organised by the Department of Biotechnology at Molapalayam village (an adopted village) on December 6, 2023. Students can work on planting trees in Molapalayam Muniyappan Kovil.

5. Photo

6. Feedback:

- Farmer and Student know about benefit of soil.
- Our students are interested to explain importance of soil.
- Our students Learn how to cultivate paddy.

REPORT FOR EXTENSION ACTIVITY (Village Adoption – Digital Awareness) – 27.10.2023

1. Objective

To create awareness to the people living in Echampatti village about how to use the technology more safely and to promote opportunity-rich utilization of modern technology.

2. Agenda (Date & Time , Venue , Guest details)

Venue : Echampatti

Time : 11.00 am – 3.00 pm

Agenda : Village Adoption Programme - Digital Awareness Programme

Mr.M.Ravi AP/CA, Mr.M.Purusothaman AP/CA

& Mrs.G.GAYATHRI AP/CA along with 15 Students

Guest details: 1. Mr. M.Rajendran Headmaster, Echampatti.

2. Mrs.R.Kokila, Union Councilor, Kalkurichi.

3. Subject/topic dealt with (minimum 5-10 lines)

- e-governance / e-seva is all about the implementation of information and communication technologies (ICT) to help the government in administration, support public services and creating relationship among its citizens. Hence this programme was planned to give awareness among the people living in our adopted village.
- The Union Councilor and School Headmaster addressed the Programme. Around 85 Public and 15 students along with 3 faculty members were participated in the programme.
- The People got awareness about various e-portal services of the Govt. of Tamils Nadu such as Linking of EB Bills with Aadhaar card, Updating their Ration Card Details, Patta Chitta, Checking the Status of Varisu Certificate, etc.
- The volunteers played a vital role in making this camp a grand success with their dedication, and they guided people in the right direction.
- Digital awareness session enlightened the minds of rural people on how basic technology works, how to navigate its various menus/options using their own

digital gadgets in a productive way.

- The Programme was informative and provided insights into the minds of the people in Echampatti village.

Benefits of this programme for the public :

- Paperless work
- Time Saving
- Cost Saving
- Not necessary to perform Physical Submission. People will be intimated by an SMS confirmation once the necessary steps are completed successfully.

A Brief Report on "An awareness program on savings habit among the rural masses"

OBJECTIVE

1. To educate rural communities about the importance of savings for financial security.
2. To encourage the development of a savings mindset among the rural population.
3. To promote savings as a way of life for our rural target audience
4. To promote the values, opportunities and benefits of saving

PLACE: Muthukalipatty, Rasipuram

DATE: 13.03.2024 (Wednesday)

Faculty: Mr.C.Srinivasan, Mrs.P.Gomathi,

Students: 26 Nos.

SUBJECT/TOPIC

The Department of Business Administration organized an awareness program on savings habit among the rural masses, the Majority of the rural households are small scale farmers and as such a significant part of their non-farm income comes from small and medium enterprises. Saving can be defined as the income which cannot be spent on current consumption. Total savings comes from individual save out of their personal incomes.

Saving is an important habit to get into for a number of reasons — it helps you cover future expenses, manage financial stress and plan for vacations, just to name a few. Understanding the different merits of saving might motivate you to save more.

Most people know they should be saving a portion of their income, but they might not grasp all of the benefits of doing so. In this awareness program, nearly 130 rural people, 26 students, and two faculties took part.

FEEDBACK

The awareness program on savings habits among rural masses has shown promising results in promoting financial literacy and cultivating a culture of savings. Continued efforts, community involvement, and adaptation to local needs will be crucial for sustained success and long-term financial empowerment in rural areas.

Report on Literacy Awareness – Extension Activity in Association with NSS

OBJECTIVE:

To make the students understand and bind themselves with the society they live in, through Extension Activity.

AGENDA:

1. To initiate the students to get involved with Literacy Awareness among the common public.
2. To enable them keep phase with the local community through this Activity.
3. To involve them in Literacy Awareness as a practical way of realizing the inevitability of Academic elements throughout their lives in order to get along with a sophisticated future society.

Day: 30/1/2024
Time: 10.00 a.m.
Venue: Kattanachampatti

SUBJECT:

The Extension Activity in terms of Literacy Awareness was organized by the Department of English to involve the students in direct Literacy Programme among the local community of Kattanachampatti adjacent to the institution on 30.1.2024 with enthusiasm.

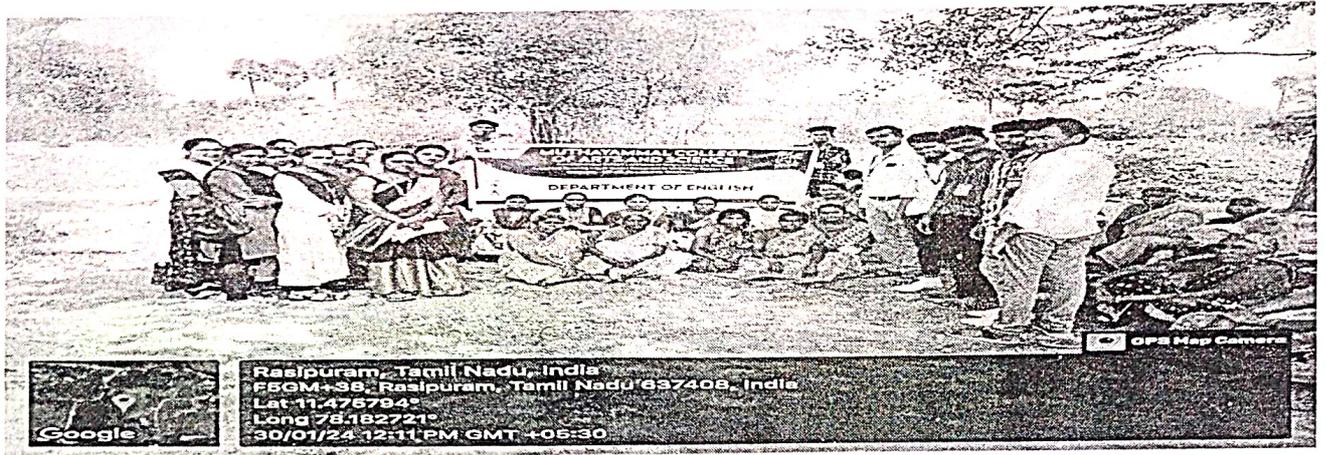

The students of III B.A.English accompanied by two faculty members of the English Department G.Kalaimani and J.Nilavarasu set with a spirit of service to create awareness through Literacy Programme among the public and to imbibe the ideals of true learning for the benefit of individuals in day-today-life as well as the society and nation they are a part.

The trip was quite pleasant as the students felt their responsibility as ideal citizens besides being just students who are still to accomplish their learning process and they did their best to effectively communicate the common folk of Kattanachampatti and initiate them towards Literacy Programme which would indeed benefit them in their routine and practical affairs.

The support from the villagers too, proved adequate that the task of students was well done with a hope that they can undertake numerous tasks in their future whatever comes in their path.

The Activity went well to be worthy and Vote of Thanks marked the end of the event.

Photo:

FEEDBACK:

The Literacy Awareness as a service-oriented Activity was success in inculcating hope and self-confidence in the student .

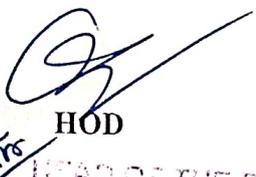

PARTICIPANTS DETAILS:

Staff Participants:

1. Mrs. G.Kalaimani, Assistant prof/Department of English, MCAS
2. Mr. J.Nilavarasu , Assistant prof/Department of English, MCAS

Report on Literacy Programme in Association with NSS

OBJECTIVE:

A good learner ultimately turns to be a good teacher too. Proving this the department of English initiated the student-folk towards a Literacy Programme with an objective of educating the people of an adjacent village.

AGENDA:

1. To initiate the students towards outgoing activity as part and parcel of the academic arena.
2. To introduce literacy awareness programme as an outcome of their learning process.
3. To motivate their in-sight and to be in unison with the society nearby.

Date: 11/3/2024

Time: 10.00 to 2.00

Venue: Kattanachampatti

SUBJECT:

18 students of III B.A English accompanied by 2 faculty members of the English Department set themselves out to educate the people of Kattanachampatti on 11/3/2024 a mission titled 'Literacy Camp' with enthusiasm and found that their task had been self satisfactory and worthy to the people of Kattanachampatti

The Head of the department Mr.Gopinath , Faculty members J.Nilavarasu and G.Kalaimani offered tips beforehand from their experience of such extension activities carried out by them earlier.

Though the day was scorching the students seemed to be cool and balanced in attitude and were well received by the village people. The teaching sessions went well with the cheerful co-operation of the village-folk which made the atmosphere quite cordial and the students cherished the day.

All the 18 students engaged themselves in the event with utmost sincerity that they did not even bother to take refreshments in between and did not stop for lunch till their task is over.

The day was resourceful for both the students and the villagers.

Photo:

FEEDBACK:

All the 18 students found the day to be memorable that they have done something beneficiary to the society in which they form a worthy part.

PARTICIPANTS DETAILS:

Staff Participants

Introduction

The Red Cross, established in 1863 in Geneva, by Jean Henry Dunant, is an International Organization meant for humanitarian services. Its headquarters is in Geneva, Switzerland with many affiliated National Red Cross and Red Crescent Societies. It is a non-religious, non-political and non sectarian International body. Regardless of either frontiers or race, the Red Cross remains a voluntary organization and also an independent one having considerable welfare activities to its credit.

The seven fundamental principles of the International Red Cross and Red Crescent Movement are

- **Humanity**
- **Impartiality**
- **Neutrality**
- **Independence**
- **Voluntary Service**
- **Unity**
- **Universality**

YRC & RRC

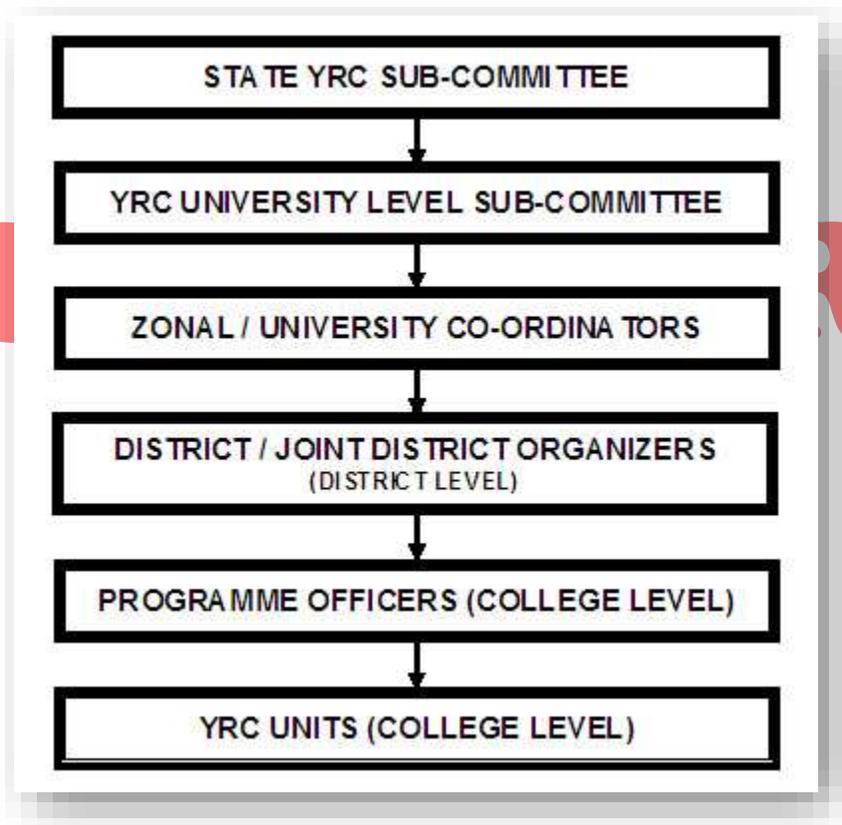

Red Cross Society functions with the one and only aim of serving people in distress without any consideration of caste, religion, language and nationality.

The Indian Red Cross Society serves as an auxiliary to the State authorities engaged in social welfare activities accepting the rules and regulations of the State, but at the same time maintaining its autonomy so that it can act always in accordance with the fundamental principles.

What is Youth Red Cross?

The Youth Red Cross is the most important constituent of its mother organization, Indian Red Cross. It is a group movement organized at the initial stages for students between 18 and 25 years of age within the colleges. A qualified lecturer is recognized as the leader and he is called the Programme Officer under his guidance, the students are trained and encouraged to manage the affairs of the group, electing their own office-bearers.

YRC ORGANISATIONAL SETUP

YRC Song:

Darthi karo nirmal karo beeda prabu hey
Jeevan karo vujval nava jyothi baro hey - (2)
Dukki janonki seva hum kare - (2)
Baththali thonko gale lagale - (2)
Shanthi badha shanthi kaarya shanthi varada hey!
Jeevan karo vujval nava jyothi baro hey!
Nava jyothi baro hey, nava jyothi baro hey!

தாத்தி கரோ நிர்மல் கரோ பீடா பிரபு ஹே!

நவ ஜோதி பரோ ஹே நவ ஜோதி பரோ ஹே !

YRC Programme Officers Pledge:

As a Programme Officer of Youth Red Cross, I Promise to serve, to work loyally for the promotion of Health and the relief of suffering and distress, wherever I may find it and to hold in friendship youth of all Nations.

YRC Member Pledge:

I Pledge myself to care my own health and that of others, to help the sick and suffering specially children and to look upon the youth allover the world as my friends.

Guideline for students

THE BLOOD DONOR SELECTION PROCESS

Donor registration

All prospective donors who meet the general criteria for blood donation such as age and good health should be registered when they attend a blood donation session. Only individuals in good health should be accepted as blood donors. Good health is difficult to define, but certain associated parameters may be established from a brief medical history, observation and simple tests.

Essential donor registration information includes the individual's full name, date of birth, gender and contact details.

Pre-donation information

Pre-donation information provides an opportunity for the prospective donors to know about health conditions or high-risk behaviour that would make them unsuitable to donate blood.

AGE

The lower age limit for blood donation in most countries is 18 years, although in some countries national legislation permits 16–17 year-olds to donate provided that they fulfil the physical and hematological criteria required and that appropriate consent is obtained.

The usual upper age limit for blood donation is 65 years

DONOR APPEARANCE AND INSPECTION

The prospective donor should appear generally well and should not be febrile, breathless or suffering from a persistent cough. Donors should be observed to rule out malnutrition or any debilitating condition.

The colour of exposed skin and mucous membranes should be normal, with no jaundice, cyanosis, flushing or pallor, and no signs of skin infection, rash or obviously enlarged lymph nodes.

WEIGHT

It is important to set weight limits for blood donation to protect donors from adverse effects, in particular vasovagal episodes and anaemia. Low body weight and low blood volume have been shown to be independent predictors for vasovagal reactions

Donor should weigh at least 45 kg to donate 350 ml ($\pm 10\%$) or 50 kg to donate 450 ml $\pm 10\%$

Prospective donors of apheresis platelet or plasma donations should weigh at least 50 kg

VITAL SIGNS

YRC & RRC

Pulse

A normal pulse rate of 60–100 per minute and a regular rhythm are indicators of good health

Body temperature

A prospective donor who is febrile – defined as a core oral temperature more than 37.6°C

Blood pressure (BP)

A normal blood pressure (systolic 120–129 mmHg, diastolic 80–89 mmHg) is generally regarded as an indicator of good health

Haemoglobin screening

International and national guidelines commonly recommend minimum haemoglobin levels of 12.5 g/dl for females and 13.5 g/dl for males.

Frequency of donation

The minimum interval between donations of whole blood should be 12 weeks for males and 16 weeks for females

The minimum interval between donations of platelets should be 4 weeks

The minimum interval between donations of plasma should be 2 weeks

FLUID INTAKE AND FOOD

The BTS should consider providing 500 ml drinking water to donors before donation to minimize the risk of vasovagal reactions

Who are Eligible to Donate Blood?

Any healthy adult, both male and female, can donate blood. Men can donate safely once in every three months while women can donate every four months.

Good health of the donor must be fully ensured. The universally accepted criteria for donor selection are:

- Age between 18 and 60 years
- Haemoglobin - not less than 12.5 g/dL
- Pulse - between 50 and 100/minute with no irregularities
- Blood Pressure -Systolic 100-180 mm Hg and Diastolic 50 - 100 mm Hg
- Temperature - Normal (oral temperature not exceeding 37.50C)
- Body weight - not less than 45 Kg

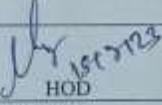

Health conditions: The donor should be in a healthy state of mind and body.

They should fulfill the following criteria:

1. Past one year - not been treated for Rabies or received Hepatitis B immune globulin.
2. Past six months - not had a tattoo, ear or skin piercing or acupuncture, not received blood or blood products, no serious illness or major surgery, no contact with a person with hepatitis or yellow jaundice.
3. Past three months - not donated blood or been treated for Malaria.
4. Past one month - had any immunizations.

5. Past 48 hours - taken any antibiotics or any other medications (Allopathic or Ayurveda or Sidha or Homeo)
6. Past 24 hours - taken alcoholic beverages
7. Past 72 hours - had dental work or taken Aspirin
8. Present - not suffering from cough, influenza or sore throat, common cold
9. Women should not be pregnant or breast feeding her child
10. Women donor should not donate during her menstrual cycles
11. Free from Diabetes, not suffering from chest pain, heart disease or high BP, cancer, blood clotting problem or blood disease, unexplained fever Ever had TB, bronchial asthma or allergic disorder, liver disease, kidney disease, fits or fainting, blue or purple spots on the skin or mucous membranes, received human pituitary - growth hormones etc

Orientation given:

Welcome, first-year students, to our esteemed institution, As part of your orientation program, we would like to introduce you to two important organizations on campus: the Youth Red Cross (YRC) and the Red Ribbon Club (RRC) Cell.

These organizations play a significant role in promoting humanitarian values, health awareness, and community service among students. Let's delve into their objectives, activities, and how you can get involved.

Youth Red Cross (YRC):

The Youth Red Cross is a voluntary organization that aims to empower young individuals to become active agents of social change.

Here are the key objectives of the YRC:

1. Humanitarian Service: YRC encourages students to participate in various community service initiatives, such as blood donation drives, disaster response, health camps, and environmental awareness programs.

2. Health and Wellness: YRC promotes health awareness among students through workshops, seminars, and campaigns on topics like first aid, hygiene, nutrition and disease prevention.

3. Leadership Development: YRC provides opportunities for students to develop leadership skills, teamwork, and organizational abilities by organizing and managing events and projects.

4. Community Engagement: YRC facilitates engagement with local communities to address their social issues, promote inclusivity, and foster a sense of responsibility towards society.

How to get involved with YRC:

To become an active member of YRC, you can:

1. **Attend YRC Orientation:** Participate in the YRC orientation program to understand its values, activities and membership requirements.
2. **Join YRC Sessions:** Attend regular YRC meetings, workshops and training sessions to enhance your knowledge and skills in humanitarian work.
3. **Volunteer for Activities:** Engage in various YRC initiatives, events and campaigns that align with your interests and contribute to the betterment of society.
4. **Seek Leadership Roles:** As you gain experience and demonstrate commitment, you can aspire to hold leadership positions within the YRC to drive positive change.

Red Ribbon Club (RRC) Cell:

The Red Ribbon Club is a dedicated cell that focuses on creating awareness about HIV/AIDS, promoting voluntary blood donation, and reducing stigma associated with these issues.

Here are the key objectives of the RRC Cell:

1. **HIV/AIDS Awareness:** RRC conducts workshops, seminars, and awareness campaigns to educate students about HIV/AIDS, its prevention, and the importance of maintaining a non-discriminatory attitude towards affected individuals.
2. **Voluntary Blood Donation:** RRC organizes blood donation camps, sensitizes students about the significance of voluntary blood donation, and encourages them to become regular donors.

3. Support and Counseling: RRC offers a supportive environment for individuals living with HIV/AIDS, providing counseling services, guidance, and a platform to share experiences.

4. Advocacy and Research: RRC advocates for policies and initiatives that promote HIV/AIDS prevention, care, and support. It also encourages research on related topics among interested students.

How to get involved with RRC:

To actively participate in the Red Ribbon Club, you can:

1. Attend RRC Orientation: Attend the RRC orientation program to gain insights into its objectives, activities and how you can contribute.

2. Join RRC Sessions: Attend RRC meetings, interactive sessions, and workshops to enhance your knowledge about HIV/AIDS, blood donation, and related topics.

3. Volunteer for Events: Engage in RRC's blood donation drives, awareness campaigns, and other initiatives to support the cause and create impact.

4. Become a Peer Educator: RRC offers opportunities to become peer educators who can disseminate accurate information about HIV/AIDS, promote safe practices, and dispel misconceptions.

Both YRC and RRC Cell provide a platform for you to make a difference in society while developing your leadership skills, empathy, and social responsibility. By actively participating in their activities, you can contribute to the well-being of individuals and communities.

We encourage you to explore these organizations further and engage with them during your time at our institution. They will not only enhance your personal growth but also enable you to positively impact the lives of others. Welcome to the YRC and RRC family.

YRC & RRC

AWARENESS RALLY AND HUMAN CHAIN ON INTERNATIONAL DAY AGAINST DRUG ABUSE & ILLICIT TRAFFICKING

Date: 26.06.2023

Time: 9.30am

Location: Andagalur gate, Rasipuram

Participants: 220 Students from various departments (Commerce, Statistics, Maths, Microbiology, Biochemistry, BCA, Physics, Biotechnology, Chemistry and Computer Science)

Staff Participant's Details:

1. RADHAKRISHNAN N, Asst. Prof, Microbiology.
2. ANBARASAN M, Asst. Prof, Statistics
3. KANNAN M, Asst. Prof, Tamil
4. MANOKARTHICK S, Asst. Prof, CS
5. SELVAKUMAR G, Asst. Prof, CS
6. MOHANDASS GANDHI A, Asst. Prof, Physics.

1. Introduction:

The International Day Against Drug Abuse & Illicit Trafficking is observed annually on June 26th to raise awareness about the negative impact of drug abuse and the illegal trade of drugs. In an effort to combat this global issue, an awareness rally and human chain were organized in Andagalur gate, Rasipuram on 26.06.2023. The event aimed to educate the public, mobilize community support, and encourage preventive actions against drug abuse and illicit trafficking.

2. Objectives:

The key objectives of the awareness rally and human chain were as follows:

- a) To raise awareness about the harmful effects of drug abuse and illicit trafficking.
- b) To promote a drug-free lifestyle and emphasize the importance of prevention.
- c) To mobilize community support in the fight against drug abuse and illicit trafficking.
- d) To encourage collaboration among stakeholders, including government agencies, non-governmental organizations, and the public.

3. Event Description:

The awareness rally and human chain drew the participation of numerous individuals from different walks of life, including students, teachers, community leaders, law enforcement officials (Police), and representatives from various organizations.

The event commenced with a gathering at Andagalur gate, Rasipuram, where participants were provided with banners, placards, and informational pamphlets addressing the theme of the event.

The rally began with a series of motivational speeches by notable figures, including experts in the field of drug abuse prevention, local authorities. These speeches aimed to inspire and educate the participants about the dangers of drug abuse and the importance of a united effort in combating the issue.

Following the speeches, the participants embarked on a march through the main streets of Andagalur gate, Rasipuram. Carrying banners with slogans against drug abuse and illicit trafficking, they chanted slogans and distributed informative

materials to bystanders, creating awareness about the event's purpose and the resources available for those seeking help.

Upon reaching the designated endpoint, participants formed a human chain, symbolizing unity in the fight against drug abuse. The human chain served as a powerful visual representation of community solidarity and commitment to tackling this pervasive issue.

4. Collaboration and Support:

The success of the awareness rally and human chain was made possible through the collaborative efforts of several organizations, including government agencies, non-governmental organizations, educational institutions, and community groups. These entities provided logistical support, resource materials, and personnel to ensure the smooth execution of the event.

YRC & RRC

Additionally, local law enforcement agencies (Police) played a crucial role in managing traffic, ensuring the safety of participants, and maintaining order throughout the rally and human chain. Their presence and active involvement further reinforced the message that drug abuse and illicit trafficking are matters of great concern for the entire community.

5. Impact and Outcomes:

The awareness rally and human chain had a significant impact on the local community, generating widespread awareness about the dangers of drug abuse and illicit trafficking. The event succeeded in achieving its objectives through the following outcomes:

a) Increased awareness: The event succeeded in reaching a large audience, both directly through participant involvement and indirectly through media coverage. Through speeches, distribution of informational materials, and media exposure, the event raised awareness about the consequences of drug abuse and the resources available for prevention and treatment.

b) Community mobilization: The rally brought together diverse stakeholders committed to addressing the issue of drug abuse. Participants, including students, community leaders, and representatives from organizations, expressed their dedication to making a positive change and pledged to actively engage in future prevention initiatives.

c) Media coverage and outreach: The event received substantial media coverage, including newspaper articles, television reports, and online platforms. This coverage extended the impact of the event beyond the immediate participants, reaching a broader audience and increasing public discourse on drug abuse and illicit trafficking.

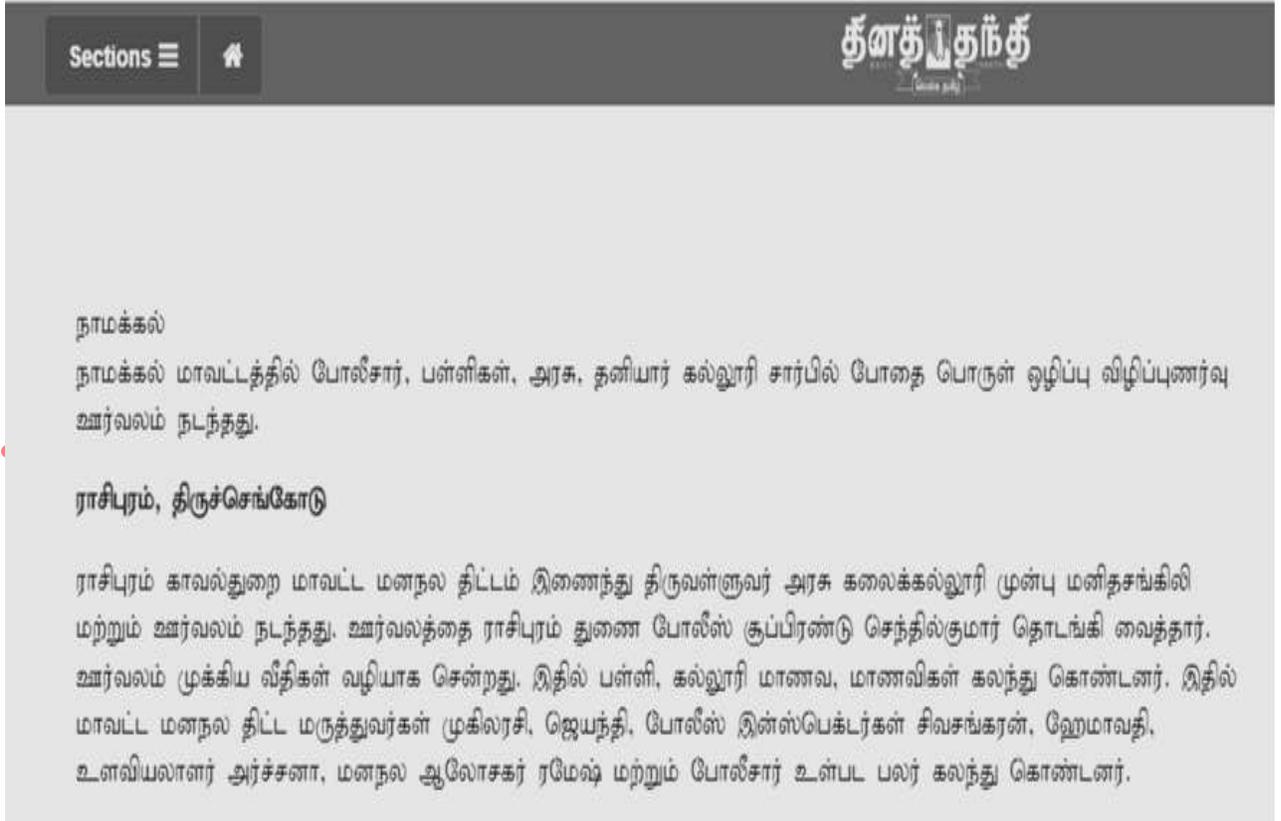

d) Collaboration and networking: The event facilitated collaboration and networking among various organizations and individuals working in the field of drug abuse prevention. This synergy promotes future partnerships and the exchange of best practices to tackle the issue more effectively.

6. Conclusion:

The awareness rally and human chain organized on the occasion of the International Day against Drug Abuse & Illicit Trafficking in Andagalur gate, Rasipuram successfully engaged the community in raising awareness and mobilizing support against drug abuse. The event's impact was notable, fostering a

sense of unity and commitment to combat this global issue. Such initiatives are crucial in creating a drug-free society and highlighting the importance of preventive measures, treatment options, and community involvement in combating drug abuse and illicit trafficking.

**Award Ceremony - Received Best Blood Donation Camp Organizer Award
(Academic year - 2022)**

Date: 10.07.2023

Venue: District Collectorate, Namakkal District

Award Received By:

1. Dr. S.P.VIJIEKUMAR

Principal,

Muthayammal College of Arts and Science, Rasipuram.

2. Dr. M.RAMAMOORTHY

Head – Social Activities,

Muthayammal College of Arts and Science, Rasipuram.

YRC & RRC

1. Introduction:

On 10.07.2023, **MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE**, Rasipuram had the honor of receiving the prestigious "**Best Blood Donation Camp Organizer**" award.

The award was bestowed upon **MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE**, Rasipuram in recognition of its outstanding efforts in organizing successful blood donation camps and its significant contributions to saving lives through voluntary blood donations.

2. Background:

Muthayammal College of Arts and Science, Rasipuram has a long-standing commitment to promoting and facilitating voluntary blood donations within the community.

Over the years, the organization has organized numerous blood donation camps in collaboration with hospitals, blood banks, and other stakeholders. These camps have played a vital role in raising awareness about the importance of blood donation and addressing the constant need for a steady supply of safe blood for medical emergencies and treatments.

3. Selection Process:

The Best Blood Donation Camp Organizer award is a highly esteemed recognition presented by **TAMILNADU STATE BLOOD TRANSFUSION CENTRE** and **TAMILNADU STATE AIDS CONTROL ASSOCIATION**. The selection process involves a comprehensive evaluation of various criteria, including:

a) Organizational Impact: The impact of the blood donation camps organized by Muthayammal College of Arts and Science, Rasipuram was evaluated based on the number of successful donations, the reach and engagement of the events, and the positive outcomes achieved.

b) Outreach and Awareness: The effectiveness of Muthayammal College of Arts and Science, Rasipuram efforts in raising awareness about the significance of blood donation in the community was considered. This includes their promotional campaigns, educational initiatives, and media coverage.

c) Stakeholder Collaboration: The level of collaboration with hospitals, blood banks, and other relevant organizations was assessed to determine the organization's ability to establish sustainable partnerships and maximize the impact of their initiatives.

d) Innovation and Creativity: Any innovative approaches or creative strategies employed by Muthayammal College of Arts and Science, Rasipuram to encourage blood donations were taken into account during the evaluation process.

4. Achievements and Contributions:

Muthayammal College of Arts and Science, Rasipuram has made remarkable achievements and contributions in the field of blood donation, which ultimately led to the receipt of the Best Blood Donation Camp Organizer award. These include:

a) Successful Camps: Muthayammal College of Arts and Science, Rasipuram has consistently organized highly successful blood donation camps, attracting a significant number of voluntary donors and ensuring the safe collection of blood units. These camps have played a critical role in addressing the constant demand for blood in medical emergencies and treatments.

b) Community Engagement: Through its awareness campaigns and educational initiatives, Muthayammal College of Arts and Science, Rasipuram has effectively engaged the community, dispelling misconceptions about blood donation, and promoting a culture of voluntary donation. This has resulted in increased participation and a broader understanding of the importance of regular blood donations.

c) Stakeholder Collaboration: Muthayammal College of Arts and Science, Rasipuram has fostered strong collaborations with Government hospitals, blood banks, and other relevant organizations. By working in synergy with these stakeholders, the organization has enhanced the impact of its initiatives, ensuring a steady supply of safe blood and improving the overall blood transfusion process.

d) Innovation and Creativity: Muthayammal College of Arts and Science, Rasipuram has consistently demonstrated innovation and creativity in its blood

donation campaigns. Through unique approaches such as thematic events, and digital platforms, the organization has attracted a diverse range of donors and created a positive and memorable experience for participants.

5. Impact and Recognition:

The Best Blood Donation Camp Organizer award highlights the significant impact Muthayammal College of Arts and Science, Rasipuram has had on the community and the recognition it has received for its efforts.

The award not only acknowledges the organization's achievements but also serves as a testament to the dedication and commitment of its volunteers, staff, and supporters.

6. Future Endeavors:

With this award, Muthayammal College of Arts and Science, Rasipuram is further motivated to continue its efforts in promoting blood donation and saving lives. The organization will strive to expand its reach, strengthen partnerships, and implement innovative strategies to encourage even more individuals to become regular blood donors.

The award will serve as a source of inspiration and encouragement for Muthayammal College of Arts and Science, Rasipuram to achieve greater heights in its mission.

7. Conclusion:

The receipt of the Best Blood Donation Camp Organizer award is a significant milestone for Muthayammal College of Arts and Science, Rasipuram. It recognizes the organization's exceptional contributions to promoting voluntary blood donation and its commitment to making a positive impact on the lives of patients in need.

Muthayammal College of Arts and Science, Rasipuram remains dedicated to its mission and will continue to work tirelessly towards creating awareness, organizing successful blood donation camps, and fostering a culture of voluntary blood donation within the community.

Certificate & Photographs:

BEST BLOOD DONATION CAMP ORGANISER AWARD

Namakkal District Collector Mrs.S.Uma, in appreciation of our Institution's humane gesture of organising Blood Donation Camps and donating blood to the Namakkal Government Hospital, honoured us on 10.07.2023 with a shield and a certificate for being the **BEST BLOOD DONATION CAMP ORGANISER**.

செயல்பாட்டுத் தலைவர் முனைவர் எம். இராமமூர்த்தி ஆகியோர் கல்லூரியின் சார்பாக பெற்றுக் கொண்டனர்.

கடந்த 2022ஆம் ஆண்டில் முத்தாயம்மாள் கலை மற்றும் அறிவியல் கல்லூரியின் நாட்டு நலப்பணித் திட்டம், செஞ்சிலுவை சங்கம் மற்றும் இளைஞர் செஞ்சுருள் சங்கத்தின் சார்பாக மூன்று இரத்ததான முகாம்கள் நடத்தப்பட்டு சுமார் 120 யூனிட் இரத்தம் தானமாக அரசு இரத்த மையத்திற்கு வழங்கப்பட்டது குறிப்பிடத்தகுந்ததாகும்.

MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE, RASIPURAM
BLOOD DONATION CAMP
ORGANIZED BY
YRC & RRC CELL IN COLLABORATION WITH
GOVT BLOOD BANK, GOVERNMENT HOSPITAL, RASIPURAM

Date: 20.07.2023

Venue: Physics Lab, D – block, MCAS

Organized By: YRC & RRC CELL

1. Introduction:

The blood donation camp was organized by YRC & RRC CELL at Physics Lab, D – block, MCAS on 20.07.2023. The primary objective of the camp was to promote voluntary blood donation among the students and staff, raise awareness about the importance of donating blood and contribute to the noble cause of saving lives.

2. Objectives:

- a) To collect a significant number of blood units from willing donors within the college community.
- b) To educate participants about the process of blood donation, its significance, and how it can potentially save lives.
- c) To create a positive and encouraging environment for potential donors to overcome any fears or misconceptions associated with blood donation.

3. Pre-Camp Preparations:

Prior to the event, the organizing committee took several important steps to ensure the smooth execution of the blood donation camp:

a) Liaison with Blood Banks: The organizing committee collaborated with local blood banks and hospitals to arrange for the necessary infrastructure, medical personnel and facilities.

b) Promotion and Awareness: Circular, Digital Signage and social media platforms were utilized to create awareness about the event. Information about the eligibility criteria for blood donation and the benefits of voluntary donation was disseminated.

The blood donation camp commenced at 9.45am at Physics Lab, D – block . The event witnessed an overwhelming response from the college community. The steps taken during the camp were as follows:

a) Registration and Medical Check-up: Donors registered and underwent a thorough medical screening by Doctor (Dr.R.Senthilkumar) to ensure their eligibility for blood donation.

b) Blood Donation Process: The blood donation process was carried out in a highly organized and hygienic manner by the medical team. Each donor's vital signs were monitored throughout the process to ensure their well-being.

c) Post-Donation Refreshments: After donating blood, donors were provided with refreshments (Juices and Biscuits) to help them recover their energy and maintain their well-being.

6. Impact and Benefits:

The blood donation camp had a significant impact on the college community and beyond:

- a) Lives Saved: The donated blood units have the potential to save numerous lives, especially in emergencies and medical treatments.
- b) Awareness: The camp successfully raised awareness about the importance of voluntary blood donation and dispelled myths and misconceptions about the process.
- c) Community Engagement: The event fostered a sense of unity and social responsibility within the college community, encouraging them to actively participate in such humanitarian activities.

7. Conclusion:

The blood donation camp conducted at Muthayammal College of Arts and Science, Rasipuram was a commendable effort towards promoting the culture of voluntary blood donation. The enthusiastic response from the college community and the number of blood units collected showcase the success of the event. By coming together to contribute to this noble cause, the students and staff of Muthayammal College of Arts and Science, Rasipuram have demonstrated their compassion and commitment to saving lives.

YRC & RRC cell extend our heartfelt gratitude to all the donors, volunteers, medical personnel, and everyone who supported and participated in making this blood donation camp a grand success. Such initiatives are crucial in ensuring a steady and sufficient blood supply for those in need.

**MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE, RASIPURAM
TAKING PLEDGE AGAINST DRUG ABUSE**

**ORGANIZED BY
YRC & RRC CELL**

Date: 11.08.2023

Time: 09.45am to 11.00am

1. Introduction:

Drug abuse has emerged as a significant societal challenge, particularly among young individuals. Recognizing the urgency of tackling this issue, the Tamil Nadu government initiated a campaign in which 1007 college students of Muthayammal College of Arts and Science, Rasipuram voluntarily pledged their commitment to preventing drug abuse.

YRC & RRC

2. Objectives:

The primary objectives of the pledge campaign were as follows:

- **Raise Awareness:** Educate college students about the dangers of drug abuse, its impact on individuals and communities, and the importance of prevention.
- **Promote Responsibility:** Encourage students to take personal responsibility for their health, well-being, and future by avoiding drug abuse.
- **Build a Supportive Network:** Foster a sense of unity and peer support among college students to collectively resist the pressures of drug use.

- **Send a Strong Message:** Convey a strong message to society that the youth are committed to living a drug-free life and contributing positively to the state's development.

3. Implementation:

The campaign was implemented in the following steps:

- **Government Circular:** The Tamil Nadu government issued a circular to all colleges in the state, urging their cooperation in facilitating the pledge against drug abuse.

போதை பழக்கத்திற்கு எதிராக உறுதிமொழி இணைய வழியில் எடுக்க கலெக்டர் அறிவுரை

நாமக்கல், ஆக. 11-

முதல்வர் ஸ்டாலின் தலைமையில், போதை பொருள்களால் ஏற்படும் தீமைகள் குறித்து மாணவர்கள், இளைஞர்களிடம் விழிப்புணர்வு ஏற்படுத்தும் வகையில், இன்று சென்னைில் உறுதிமொழி ஏற்பு நிகழ்ச்சி நடக்கிறது. நாமக்கல் மாவட்டத்தில் உள்ள அனைத்து அரசு மற்றும் தனியார் அலுவலகங்கள், கல்வி நிறுவனங்களிலும் இன்று காலை, 10:00 மணிக்கு போதை பழக்கத்திற்கு எதிரான

உறுதிமொழியை ஏற்குமாறு கலெக்டர் உமா கேட்டுக் கொண்டுள்ளார்.

கலெக்டர் தலைமையில், 1,500க்கும் மேற்பட்ட அரசு அலுவலர்கள், பணியாளர்கள், பள்ளி மற்றும் கல்லூரி மாணவ, மாணவியருடன் போதை பழக்கத்திற்கு எதிரான உறுதி மொழி ஏற்பு நிகழ்ச்சி, நாமக்கல் அரசு மருத்துவக் கல்லூரி கலையரங்கில் நடக்கிறது. விழிப்புணர்வு நிகழ்ச்சியில் பொதுமக்கள் அனைவரும் தங்கள் கைப்பேசி மற்றும் கணினிகளில் <https://enforcementbureau.tn.org/pledge>

என்ற இணையதளம் வழியாக, போதை பழக்கத்திற்கு எதிரான உறுதிமொழியை ஏற்கும் வகையில் நடவடிக்கைகள் மேற்கொள்ளப்பட்டுள்ளது.

இணையதளம் வழியாக உறுதிமொழியை ஏற்றுக் கொள்பவர்கள், தங்களது விபரங்களை பதிவேற்றம் செய்யும்போது, அதற்கான சான்றிதழை பெற்றுக் கொள்ளலாம். எனவே, போதை பழக்கத்திற்கு எதிரான உறுதி மொழி நிகழ்ச்சியில் திரளாக பங்கேற்க வேண்டும் என, கலெக்டர் உமா வேண்டுகோள் விடுத்துள்ளார்.

- **Pledge Event:** A grand event was organized where 1007 college students of Muthayammal College of Arts and Science, Rasipuram gathered to take the pledge against drug abuse.

- **Pledge Ceremony:** During the event, students solemnly pledged to abstain from drug abuse and to actively promote a drug-free lifestyle among their peers.

போதைப் பழக்கத்திற்கு எதிரான உறுதிமொழி

போதைப் பழக்கத்தால் ஏற்படும் தீய விளைவுகளை நான் முழுமையாக அறிவேன். நான் போதைப் பழக்கத்திற்கு ஆளாகமாட்டேன். மேலும் எனது குடும்பத்தினரையும், நண்பர்களையும் போதைப் பழக்கத்திற்கு ஆளாகாமல் தடுத்து அவர்களுக்கு அறிவுரைகளை வழங்குவேன். போதைப் பழக்கத்திற்குள்ளானவர்களை மீட்டெடுத்து அவர்களை நல்வழிப்படுத்த எனது பங்களிப்பை முழுமையாகத் தருவேன்.

போதைப் பொருட்களின் உற்பத்தி, நுகர்வு, பயன்பாடு ஆகியவற்றிற்கு எதிரான தடுப்பு நடவடிக்கைகளின் மூலம் போதைப் பொருட்களை தமிழ்நாட்டில் வேரறுக்க அரசுக்குத் துணைநிற்பேன். மாநிலத்தின் வளர்ச்சிக்கும் மக்களின் நல்வாழ்விற்கும் நான் அர்ப்பணிப்புடன் பங்காற்றுவேன் என்று உளமார உறுதிசொறுகிறேன்.

நன்றி! வணக்கம்!

PLEDGE AGAINST DRUG ABUSE

I am aware of the ill effects of drug abuse and I solemnly promise not to indulge in drug abuse . I also swear my sincere contribution to prevent and advise my family members and friends not to fall into the habit of drug abuse . I assure to fully contribute for the cause of rescuing and guiding the drug abusers to give up drugs.

I will fully stand with the Government in their fight against the usage, consumption, and manufacturing of illegal narcotic substances in order to eradicate them from Tamil Nadu. I affirm to contribute with utmost dedication towards the growth of the State and welfare of its people.

Y n u Thank you e n n C

Annexure – I
Institution Format

This is to Certify that the Pledge against drug abuse led by the Hon'ble Chief Minister of Tamil Nadu has been taken by **1007** number of Students in **Muthayammal College of Arts and Science (Autonomous), Rasipuram - Tk, Namakkal - 637408** on 11.08.2023 at 09.30am to 11.00am.

Name of Institution: Muthayammal College of Arts and Science (Autonomous)

Address of Institution: Muthayammal College of Arts and Science,
Vengayapalayam, Kakkaveri (PO),
Rasipuram (Tk), Namakkal (Dt),
Tamil Nadu – 637408.

District: Namakkal

Name of head of institution: **Dr.S.P.Vijeikumar, M.Sc., Ph.D.,**

Signature with seal of head of institution:

PRINCIPAL
MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE
(AUTONOMOUS)
RASIPURAM - 637 408,
NAMAKKAL DISTRICT.

4. Participation Statistics:

A total of 1007 college students participated in the pledge campaign. The participants represented various departments of Muthayammal College of Arts and Science, Rasipuram, reflecting a diverse range of backgrounds and disciplines.

5. Potential Impact:

The pledge campaign holds significant potential for positive impact:

- **Cultural Shift:** The collective commitment of 1007 students of Muthayammal College of Arts and Science, Rasipuram sends a strong message to society about the youth's determination to combat drug abuse.

6. Conclusion:

The pledge taken by 1007 college students of Muthayammal College of Arts and Science, Rasipuram against drug abuse in Tamil Nadu reflects a commendable step towards curbing the menace of substance abuse among the youth.

The commitment demonstrated by these students, combined with government support, has the potential to drive positive change and contribute to a healthier, drug-free society.

**MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE, RASIPURAM
DEWORMING DAY CELEBRATION WITH
ALBENDAZOLE TABLET DISTRIBUTION**

ORGANIZED BY

**YRC & RRC CELL & Primary Health Centre, Pillanallur, Vadugam and
Kakkaveri**

Date: 17.08.2023

Time: 11.00am to 02.30pm

1. Introduction:

Deworming Day is a crucial public health initiative aimed at preventing and controlling parasitic worm infections among school-age children and young adults. Deworming Day Celebration organized by the Tamil Nadu Government, which involved the distribution of Albendazole tablets in Muthayammal College of arts and Science, Rasipuram college setting.

2. Objectives:

The primary objectives of the Tamil Nadu Government's Deworming Day Celebration in the college were as follows:

- To raise awareness about the importance of deworming in maintaining good health.
- To distribute Albendazole tablets to college students and promote their active participation in the deworming campaign.
- To strengthen the culture of health and hygiene among students and the community.
- To assess the success and impact of the deworming event.

3. Preparations:

Successful execution of the event required meticulous planning and coordination. The organizing committee, comprising representatives from the Tamil Nadu Department of Health (Primary Health Centre, Pillanallur, Vadugam and Kakkaveri), college faculty, and student volunteers, undertook the following preparations:

- **Communication Strategy:** A comprehensive communication strategy was developed to inform students about the objectives and significance.
- **Training and Orientation:** Student volunteers were provided with training sessions to equip them with knowledge about deworming, the correct process of distributing tablets, and addressing potential queries from fellow students.
- **Collaboration with Health Authorities:** Collaborative efforts were established with local health authorities (Primary Health Centre, Pillanallur, Vadugam and Kakkaveri) with YRC & RRC Cell, Muthayammal College of arts and Science, Rasipuram to ensure compliance with health regulations, proper distribution procedures, and expert guidance.

4. Event Execution:

The Deworming Day Celebration orchestrated by the Tamil Nadu Government unfolded in the following sequence:

- **Health Education Session:** The event commenced with an informative session led by healthcare professionals. The session emphasized the importance of

deworming, the impact of parasitic infections on health, and the benefits of Albendazole tablets.

- **Distribution of Albendazole Tablets:** Subsequent to the education session, students were directed to designated distribution points. Trained student volunteers efficiently distributed Albendazole tablets, ensuring students were aware of the appropriate dosage and administration instructions.

- **Adherence Reminder:** Information regarding the importance of completing the full deworming treatment course was communicated to students, underscoring the significance of adhering to recommended protocols.

5. Impact and Success:

The Deworming Day Celebration, facilitated by the Tamil Nadu Government, garnered enthusiastic participation from Muthayammal College of arts and Science, Rasipuram students. The event's success was gauged by:

- **Participation Rate:** The number of students who received Albendazole tablets served as a metric for measuring participation which was 3000 students.

- **Awareness Enhancement:** The event significantly increased awareness about parasitic infections, fostering a health-conscious environment among students.

Photographs

6. Conclusion:

The Tamil Nadu Government's Deworming Day Celebration, incorporating Albendazole tablet distribution in the college, realized its objectives of health awareness promotion, medication distribution, and student engagement. By amalgamating education, distribution, and community engagement, the event significantly contributed to the overall health and well-being of the college community. 3000 students of Muthayammal College of arts and Science, Rasipuram participated and had deworming tablet.

YRC & RRC

MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE, RASIPURAM
BLOOD DONATION CAMP
ORGANIZED BY
YRC & RRC CELL IN ASSOCIATION WITH
MARUTHI BLOOD BANK, SALEM

Date: 30.08.2023

Venue: Physics Lab, D – block, MCAS

Organized By: YRC & RRC CELL

1. Introduction:

The YRC & RRC cell jointly organized a blood donation drive in the Physics Lab of D-block at MCAS on August 30, 2023. The central aim of this event was to encourage voluntary blood donation among both students and staff, while also fostering understanding about the significance of contributing blood. This effort was dedicated to the noble mission of preserving lives and creating awareness about the crucial role of blood donation.

2. Objectives:

- a) To collect a significant number of blood units from willing donors within the college community.
- b) To educate participants about the process of blood donation, its significance, and how it can potentially save lives.
- c) To create a positive and encouraging environment for potential donors to overcome any fears or misconceptions associated with blood donation.

3. Pre-Camp Preparations:

Prior to the event, the organizing committee took several important steps to ensure the smooth execution of the blood donation camp:

a) Liaison with Blood Banks: The organizing committee collaborated with blood banks and hospitals to arrange for the necessary infrastructure, medical personnel and facilities.

b) Promotion and Awareness: Circular, Digital Signage and social media platforms were utilized to create awareness about the event. Information about the eligibility criteria for blood donation and the benefits of voluntary donation was disseminated.

Sub :- Request letter - Voluntary Blood Donation Camp - reg

Dear Sir

It indeed makes us proud to note that your esteemed college is encouraging in lot of social works which includes conducting blood Donation Camps in your campus to promote voluntary Blood donation to achieve safe blood transfusion for our Nation. Sure these acts would inculcate social responsibility to every one of your students and in future these student would woven better society for tomorrow.

The Maruthi Blood Bank and Reasearch Foundation – a non-profit organization (All donations are exempted U/S 80G of IT Act 1961) which runs Maruthi Blood Bank, duly licensed by the SBTC, TamilNadu State as it is a Charitable organisation to conduct Blood Donation camps within Tamil Nadu State would like to bring it to our attention about the similar objective of its organisation.

The *state-of-the-art* technologies adopted by this blood bank, and the transparency in the processing of blood and blood components and helping the donor in case of blood needs for their relatives...etc make this blood bank a best choice for mostly all the donor as it just fulfils their desire of Humanitarian service through donating his blood, by reaching the needy patient without any commercial motive.

We hereby express our wiliness to work with you for the society in the aspect of giving awareness about blood group and Voluntary Blood Donation, First Aid Trainings, and also conduct Blood donation camp at the Donor site such as your campus.

Thus I request you to consider conducting a blood donation camp at your premises for which all the supports would be rendered from this blood bank.

Thanking you

Yours sincerely

6. Impact and Benefits:

The blood donation camp had a significant impact on the college community and beyond:

- a) Lives Saved: The donated blood units have the potential to save numerous lives, especially in emergencies and medical treatments.
- b) Awareness: The camp successfully raised awareness about the importance of voluntary blood donation and dispelled myths and misconceptions about the process.
- c) Community Engagement: The event fostered a sense of unity and social responsibility within the college community, encouraging them to actively participate in such humanitarian activities.

Photographs:

Certificate of Appreciation:

7. Conclusion:

The blood donation camp conducted at Muthayammal College of Arts and Science, Rasipuram was a commendable effort towards promoting the culture of voluntary blood donation. The enthusiastic response from the college community and the number of blood units collected showcase the success of the event. By coming together to contribute to this noble cause, the students and staff of Muthayammal College of Arts and Science, Rasipuram have demonstrated their compassion and commitment to saving lives.

YRC & RRC cell extend our heartfelt gratitude to all the donors, volunteers, medical personnel, and everyone who supported and participated in making this blood donation camp a grand success. Such initiatives are crucial in ensuring a steady and sufficient blood supply for those in need.

MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE, RASIPURAM
EYE SCREENING CAMP
ORGANIZED BY
YRC & RRC CELL IN COLLABORATION WITH
ARAVIND EYE HOSPITAL, MADURAI

Date: 22.09.2023

Venue: Physics Lab, D – block, MCAS

Organized By: YRC & RRC cell

Introduction

YRC and RRC cell of Muthayammal College of Arts and Science, committed to promoting the health and well being of its campus community, collaborated with Aravind eye hospital, Madurai to host an Eye screening Camp.

The primary objective of the camp was to identify vision related issues and provide early intervention to prevent further deterioration. The event also sought to raise awareness about eye health and the importance of regular checkups.

Event Planning

1. Date and Venue Selection:

- The camp was scheduled for September 22, 2023, to coincide with World Sight Day.(12.10.2023)
- The college campus (MCAS) was chosen as the venue for its accessibility and convenience.

Sir,

Sub: Free Eye screening camp for your Staffs – Date confirmation – regarding.

Thank you very much for your kind hospitality extended to our camp organizer Mr.G.Ramesh when he called on you to propose the date to conduct a free eye screening camp for the benefit of your Staffs at your premises. It has been proposed to conduct this camp on 22.09.2023 (Friday).

On camp day, medical team will be there at your place in the morning around 09.00 am and the camp will be conducted up to 2:00 pm. The medical team is equipped with all basic instruments for eye examination including optical dispensing services in order to provide a comprehensive eye care to all of your Staffs. From our experience; the Staffs who are 40+ really need to correct their refractive errors by a pair of glasses. Those who are prescribed eye glasses can buy them at an affordable cost in the camp venue itself in order to achieve the purpose of the camp. We suggest that the staffs can get/order the glasses without paying on the camp day and the cost of glasses can be deducted from the salary and paid to us later. This kind of arrangement can achieve a highest compliance rate. Looking forward your kind co-operation in this regard.

Thanking you,
Yours sincerely,

R.Meenakshi Sundaram
Senior Manager – Clinical Services

To Head Social activities

ARAVIND EYE CARE SYSTEM

3. Promotion :

- Extensive promotion was done through circular, phone call, social media and word of mouth to ensure maximum participation in Vanetra Muthayammal Institutions.

- The event was communicated to all faculty and staff of Vanetra Muthayammal Institutions well in advance.

Invitation:

MUTHAYAMMAL
COLLEGE OF ARTS
AND SCIENCE
(Autonomous)
A UNIT OF VANETRA GROUP

The poster features a large, detailed illustration of a human eye with a blue iris and black eyelashes, set against a dark blue background. The text 'EYE SCREENING CAMP' is written in large, bold, white capital letters. Below this, it says 'in Collaboration with' in a smaller, italicized font, followed by 'ARAVIND EYE HOSPITAL, MADURAI' in bold white capital letters. At the bottom left, it states 'Organized by Youth Red Cross & Red Ribbon Club (YRC & RRC)' in red and white text. On the right side, the date, time, and venue are listed: 'Date : 22.09.2023', 'Time : 10:00 AM', and 'Venue : PHYSICS LAB, D Block'. The background is decorated with several small red crosses and a red ribbon symbol.

NAMAKKAL DISTRICT.

4. Logistics :

- A designated area within the campus (Physics lab, D – block) was set up with the necessary infrastructure for conducting eye examinations.
- Eye examination equipment, including charts, lenses and ophthalmoscopes, were arranged.

Event Execution

On the day of the event, the Eye Checkup Camp was executed seamlessly:

1. Registration:

- Participants were registered upon arrival, ensuring a smooth flow of attendees through the camp.

2. Eye Examination:

- Trained optometrists and volunteers conducted comprehensive eye examinations for each participant.
- The examinations included vision acuity tests, eye pressure checks and examination of the retina.

3. Counseling:

- Post examination, individuals with vision problems received counseling on their eye health.
- Recommendations for further treatment or prescription glasses were made as needed.

4. Health Education:

- A series of awareness sessions on maintaining good eye health were conducted throughout the day.

Outcomes and Impact

The Free Eye Checkup Camp yielded several positive outcomes:

1. Identification of Vision Issues:

- Numerous individuals, including teaching and non-teaching staff and drivers were identified with vision problems.
- Early detection allowed for timely intervention to prevent worsening of eye conditions.

2. Awareness and Education:

- The event raised awareness about the importance of regular eye checkups.
- Attendees left with a better understanding of how to maintain good eye health.

3. Community Engagement:

- The camp fostered a sense of community involvement and engagement within the college.

Camp Highlights:

- Comprehensive eye exams conducted for 200 attendees
- Vision tests carried out for all participants (Teaching – 44, Non teaching – 26, Drivers – 71, Housekeeping – 36 and Others – 23)
- Distribution of eyeglasses to 64 staff members in need.
- Eye health education sessions for increased awareness
- Personalized recommendations for further treatment

Feedback

Feedback

I am highly pleased by the organising team, from the start till the end of the camp, they did a great job. The food was great, to be honest, one of the best I have had till date. The organising team, were co-ordinated and helped as a lot in directing the staffs for easy examination. I am immensely indebted the organising committee for their humble and warm hospitality. Thanks once again to every member of the team for such a nice & welcoming camp.

Conclusion

The Eye Checkup Camp organized by the YRC and RRC of Muthayammal College of Arts and Science, Rasipuram, on September 22, 2023, was a resounding

success. By providing free eye examinations to Teaching and non-teaching staff, and drivers of Vanetra Muthayammal Institutions, the camp contributed to early detection and intervention for vision issues. Moreover, the event promoted awareness about eye health and reinforced the college's commitment to the well-being of its community members. Future initiatives to promote health and wellness are anticipated as a result of the camp's success.

WITH
GOVT BLOOD BANK, GOVERNMENT HOSPITAL, RASIPURAM**

Date: 14.12.2023

Venue: Government Blood Bank, Government Hospital, Rasipuram

Organized By: Rotary Club Of Rasipuram Royal & YRC & RRC cell, MCAS

1. Introduction:

The primary objective of the camp was to promote voluntary blood donation among the students and staff, raise awareness about the importance of donating blood and contribute to the noble cause of saving lives.

2. Objectives:

- a) To educate participants about the process of blood donation, its significance, and how it can potentially save lives.
- b) To create a positive and encouraging environment for potential donors to overcome any fears or misconceptions associated with blood donation.

3. Event Execution:

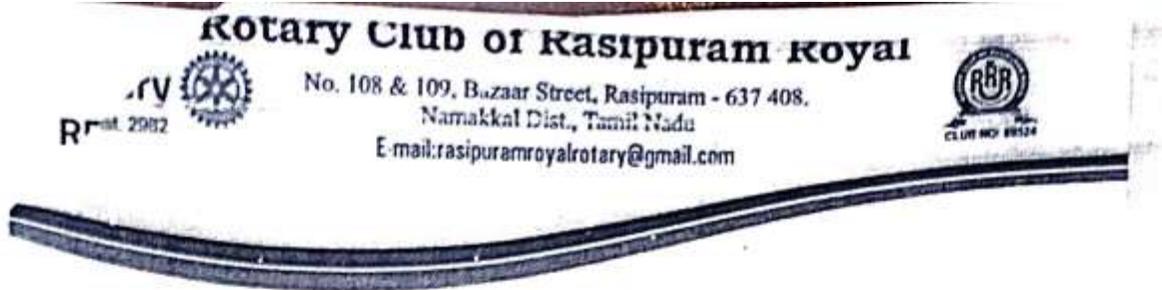

The blood donation camp commenced at 10 am at Government blood bank, Rasipuram. The event witnessed an overwhelming response from the college community. The steps taken during the camp were as follows:

a) **Registration and Medical Check-up:** Donors registered and underwent a thorough medical screening by Doctor (Dr.R.Senthilkumar) to ensure their eligibility for blood donation.

b) **Blood Donation Process:** The blood donation process was carried out in a highly organized and hygienic manner by the medical team. Each donor's vital signs were monitored throughout the process to ensure their well-being.

c) **Post-Donation Refreshments:** After donating blood, donors were provided with refreshments (Juices and Biscuits) to help them recover their energy and maintain their well-being.

Request Letter from organizer

05/12/2023

To,

The Principal,
Muthayammal Arts & Science college,
Kakkaveri.

Respected Sir,

Subject : Request for sending the volunteer students for Blood Donation.

We Rotary club of Rasipuram Royal is conducting a Blood Donation Camp on 14/12/2023 in GH Rasipuram. The camp starts by 10.00 Am.

We request you to send the volunteer students for blood Donation camp.

Thanking you. -

Yours Faithfully,

President,
Rotary Club of Rasipuram Royal.

4. Results and Achievements:

The blood donation camp at Government blood bank, Rasipuram was a resounding success. The following are the key results and achievements:

- a) Total Blood Units Donated: **10 Units**
- b) Number of Donors: **10 Donors**

5. Impact and Benefits:

The blood donation camp had a significant impact on the college community and beyond:

a) Lives Saved: The donated blood units have the potential to save numerous lives, especially in emergencies and medical treatments.

b) Awareness: The camp successfully raised awareness about the importance of voluntary blood donation and dispelled myths and misconceptions about the process.

c) Community Engagement: The event fostered a sense of unity and social responsibility within the college community, encouraging them to actively participate in such humanitarian activities.

Program Highlights:

1. Inaugural Ceremony:

The event commenced with a warm welcome address set the tone for the day, emphasizing the historical and societal importance of World AIDS Day.

2. Guest Speeches:

Mrs.S.Kousalya:

The President of HIV Positive People Welfare Society, Mrs.S.Kousalya, took the stage to share her poignant personal experiences. Her speech delved into the challenges faced by individuals living with HIV and highlighted the pressing need for societal empathy and support.

1. HIV is a Virus, AIDS is a Condition:

- HIV (Human Immunodeficiency Virus) is a virus that attacks the immune system.
- AIDS (Acquired Immunodeficiency Syndrome) is a condition caused by advanced HIV, where the immune system is severely damaged, making the individual susceptible to opportunistic infections.

2. Modes of Transmission:

- HIV is primarily transmitted through unprotected sexual intercourse with an infected person.
- It can also be transmitted through sharing of contaminated needles, from mother to child during childbirth or breastfeeding, and through blood transfusions with infected blood (though this is rare in countries with strict blood screening procedures).

3. Prevention is Key:

- Practicing safe sex by using condoms helps prevent the sexual transmission of HIV.
- Avoid sharing needles and practice harm reduction for those who use injection drugs.
- Mother-to-child transmission can be significantly reduced with proper medical interventions during pregnancy and childbirth.
- Regular testing and knowing one's HIV status are crucial for early detection and prevention.

4. Treatment and Medication:

- Antiretroviral therapy (ART) is the recommended treatment for HIV.

- With proper and consistent use of ART, people with HIV can lead healthy lives and reduce the risk of transmitting the virus to others.

5. Stigma and Discrimination:

- HIV/AIDS is not solely a medical issue, it is also a social issue.
- Stigma and discrimination against people living with HIV/AIDS persist and can hinder prevention efforts and access to care.
- Raising awareness and combating stigma is essential for fostering supportive communities.

6. Regular Testing:

- Knowing one's HIV status through regular testing is a fundamental step in prevention and early intervention.
- Many new infections are a result of transmission from individuals who are unaware that they are HIV positive.

Mrs.A.Anbuchelvi:

Serving as an ICTC Counselor, Mrs.A.Anbuchelvi provided valuable insights into preventive measures, the importance of regular health check-ups and the crucial role counseling plays in managing and preventing the spread of HIV.

Global Impact:

- HIV/AIDS is a global health challenge affecting millions of people worldwide.
- Awareness, education and global collaboration are crucial in the fight against the spread of HIV and the impact of AIDS.

Empathy and Support:

- Individuals living with HIV/AIDS need understanding, empathy and support from their communities.
- By fostering a supportive environment, we contribute to breaking down the barriers of stigma and discrimination.

Feminine personal hygiene:

1. Cleanse with Care:

- Use a mild, pH-balanced cleanser for your intimate area to maintain freshness and comfort.

2. Stay Fresh, Stay Confident:

- Regularly change sanitary products during your period for optimal hygiene and confidence.

3. Cotton is Key:

- Choose breathable cotton underwear to promote air circulation and reduce moisture.

4. Mind the Wipe:

- Always wipe from front to back after using the toilet to prevent infections.

5. Stay Hydrated:

- Drink plenty of water for overall health, including the well-being of your skin and intimate areas.

6. Regular Check-ups Matter:

- Schedule routine gynecological check-ups to ensure your health and well-being.

7. Gentle is Best:

- Opt for gentle, unscented products to avoid irritation and maintain a healthy balance.

8. Trust Your Body:

- Pay attention to any changes and consult a healthcare professional if something feels off.

9. Be Active, Be Healthy:

- Engage in regular physical activity to boost overall health and well-being.

10. Embrace Stress-Free Moments:

- Practice stress management techniques for a healthier mind and body.

3. Interactive Sessions:

The heart of the program lay in interactive sessions designed to facilitate active participation and knowledge absorption.

Key topics covered included:

- Transmission and Prevention of HIV:

Delving into the modes of transmission and the array of preventive measures available.

- Importance of Safe Practices:

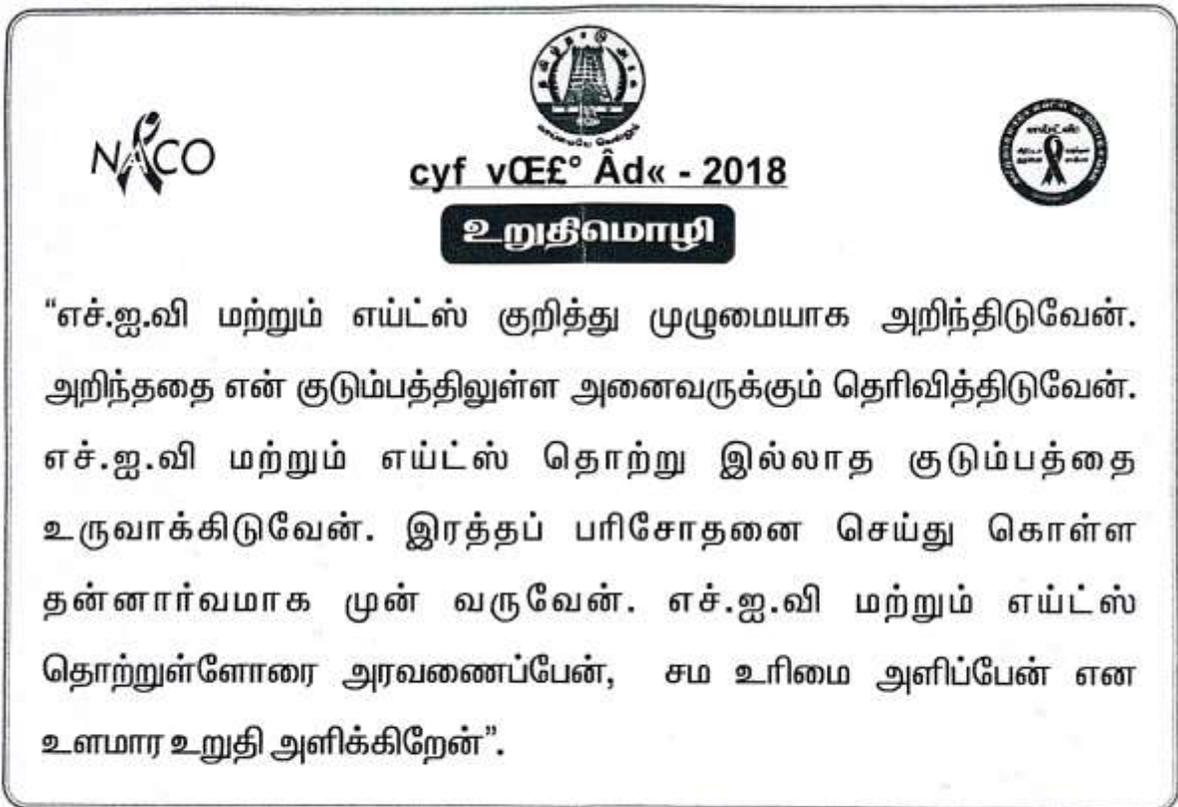

Educating participants on safe sexual practices, needle usage and other preventative behaviors.

- The Role of Youth in Spreading Awareness:

Empowering the youth to become advocates in the fight against HIV/AIDS and reduce societal stigma.

Pledge against HIV & AIDS:

In a powerful display of unity and commitment on World AIDS Day, participants from diverse backgrounds came together to take a solemn pledge a pledge that resonates with compassion, awareness and collective responsibility.

Conclusion:

The World AIDS Day celebration orchestrated by the YRC & RRC cell of Muthayammal College of Arts and Science, Rasipuram stands as a resounding success, echoing beyond the confines of the event venue. This initiative not only disseminated critical information but also ignited a spark of awareness and responsibility among the participants.

By facilitating dialogue, dispelling myths and fostering understanding, the program contributed significantly to building a more informed and compassionate community in the ongoing global endeavor to combat HIV/AIDS.

**BLOOD DONATION CAMP
ORGANIZED BY**

**YRC & RRC CELL & SALEM LADIES CIRCLE – 28
IN COLLABORATION WITH
GOVT BLOOD BANK, GOVERNMENT HOSPITAL, NAMAKKAL**

Date: 22.12.2023

Venue: Physics Lab, D – block, MCAS

Organized By: YRC & RRC CELL

1. Introduction:

The blood donation camp was organized by YRC & RRC cell & Salem Ladies Circle – 28 at Physics Lab, D – block, MCAS on 22.12.2023. The primary objective of the camp was to promote voluntary blood donation among the students and staff, raise awareness about the importance of donating blood and contribute to the noble cause of saving lives.

2. Objectives:

- a) To collect a significant number of blood units from willing donors within the college community.
- b) To educate participants about the process of blood donation, its significance, and how it can potentially save lives.
- c) To create a positive and encouraging environment for potential donors to overcome any fears or misconceptions associated with blood donation.

3. Pre-Camp Preparations:

Prior to the event, the organizing committee took several important steps to ensure the smooth execution of the blood donation camp:

- a) Liaison with Blood Banks: The organizing committee collaborated with local blood banks and hospitals to arrange for the necessary infrastructure, medical personnel and facilities.

b) Promotion and Awareness: Circular, Digital Signage and social media platforms were utilized to create awareness about the event. Information about the eligibility criteria for blood donation and the benefits of voluntary donation was disseminated.

4. Event Execution:

The blood donation camp commenced at 9.30am at Physics Lab, D – block . The event witnessed an overwhelming response from the college community. The steps taken during the camp were as follows:

a) Registration and Medical Check-up: Donors registered and underwent a thorough medical screening by Doctor (Dr. S. Dhayashankar, Block Medical Officer, Govt Primary Health Center, Namagiripettai, Namakkal Dt.) to ensure their eligibility for blood donation.

b) Blood Donation Process: The blood donation process was carried out in a highly organized and hygienic manner by the medical team. Each donor's vital signs were monitored throughout the process to ensure their well-being.

c) Post-Donation Refreshments: After donating blood, donors were provided with refreshments (Juices and Biscuits) to help them recover their energy and maintain their well-being.

6. Impact and Benefits:

The blood donation camp had a significant impact on the college community and beyond:

- a) Lives Saved: The donated blood units have the potential to save numerous lives, especially in emergencies and medical treatments.
- b) Awareness: The camp successfully raised awareness about the importance of voluntary blood donation and dispelled myths and misconceptions about the process.
- c) Community Engagement: The event fostered a sense of unity and social responsibility within the college community, encouraging them to actively participate in such humanitarian activities.

7. Conclusion:

The blood donation camp conducted at Muthayammal College of Arts and Science, Rasipuram was a commendable effort towards promoting the culture of voluntary blood donation. The enthusiastic response from the college community and the number of blood units collected showcase the success of the event. By coming together to contribute to this noble cause, the students and staff of Muthayammal College of Arts and Science, Rasipuram have demonstrated their compassion and commitment to saving lives.

YRC & RRC cell extend our heartfelt gratitude to all the donors, volunteers, medical personnel, and everyone who supported and participated in making this blood donation camp a grand success. Such initiatives are crucial in ensuring a steady and sufficient blood supply for those in need.

YRC & RRC

**MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE, RASIPURAM
DEWORMING DAY CELEBRATION WITH
ALBENDAZOLE TABLET DISTRIBUTION**

**ORGANIZED BY
YRC & RRC CELL & Primary Health Centre, Pillanallur, Vadugam and
Kakkaveri**

Date: 16.02.2024

1. Introduction:

Deworming Day is a crucial public health initiative aimed at preventing and controlling parasitic worm infections among school-age children and young adults. Deworming Day Celebration organized by the Tamil Nadu Government, which involved the distribution of Albendazole tablets in Muthayammal College of arts and Science, Rasipuram college setting.

2. Objectives:

The primary objectives of the Tamil Nadu Government's Deworming Day Celebration in the college were as follows:

- To raise awareness about the importance of deworming in maintaining good health.
- To distribute Albendazole tablets to college students and promote their active participation in the deworming campaign.
- To strengthen the culture of health and hygiene among students and the community.
- To assess the success and impact of the deworming event.

3. Preparations:

Successful execution of the event required meticulous planning and coordination. The organizing committee, comprising representatives from the Tamil Nadu Department of Health (Primary Health Centre, Pillanallur, Vadugam and Kakkaveri), college faculty, and student volunteers, undertook the following preparations:

- **Communication Strategy:** A comprehensive communication strategy was developed to inform students about the objectives and significance.

- **Training and Orientation:** Student volunteers were provided with training sessions to equip them with knowledge about deworming, the correct process of distributing tablets, and addressing potential queries from fellow students.

- **Collaboration with Health Authorities:** Collaborative efforts were established with local health authorities (Primary Health Centre, Pillanallur, Vadugam and Kakkaveri) with YRC & RRC Cell, Muthayammal College of arts and Science, Rasipuram to ensure compliance with health regulations, proper distribution procedures, and expert guidance.

4. Event Execution:

The Deworming Day Celebration orchestrated by the Tamil Nadu Government unfolded in the following sequence:

- **Health Education Session:** The event commenced with an informative session led by healthcare professionals. The session emphasized the importance of deworming, the impact of parasitic infections on health, and the benefits of Albendazole tablets.

- **Distribution of Albendazole Tablets:** Subsequent to the education session, students were directed to designated distribution points. Trained student volunteers efficiently distributed Albendazole tablets, ensuring students were aware of the appropriate dosage and administration instructions.

- **Adherence Reminder:** Information regarding the importance of completing the full deworming treatment course was communicated to students, underscoring the significance of adhering to recommended protocols.

5. Impact and Success:

The Deworming Day Celebration, facilitated by the Tamil Nadu Government, garnered enthusiastic participation from Muthayammal College of arts and Science, Rasipuram students. The event's success was gauged by:

- **Participation Rate:** The number of students who received Albendazole tablets served as a metric for measuring participation which was 1030 students.

- **Awareness Enhancement:** The event significantly increased awareness about parasitic infections, fostering a health-conscious environment among students.

Photographs

6. Conclusion:

The Tamil Nadu Government's Deworming Day Celebration, incorporating Albendazole tablet distribution in the college, realized its objectives of health awareness promotion, medication distribution, and student engagement. By amalgamating education, distribution, and community engagement, the event significantly contributed to the overall health and well-being of the college community. 1030 students of Muthayammal College of arts and Science, Rasipuram participated and had deworming tablet.

MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE, RASIPURAM
BLOOD DONATION CAMP
ORGANIZED BY
YRC & RRC CELL IN ASSOCIATION WITH
MARUTHI BLOOD BANK, SALEM

Date: 20.02.2024

Venue: Physics Lab, D – block, MCAS

Organized By: YRC & RRC CELL

1. Introduction:

The YRC & RRC cell jointly organized a blood donation drive in the Physics Lab of D-block at MCAS on February 20, 2024. The central aim of this event was to encourage voluntary blood donation among both students and staff, while also fostering understanding about the significance of contributing blood. This effort was dedicated to the noble mission of preserving lives and creating awareness about the crucial role of blood donation.

2. Objectives:

- a) To collect a significant number of blood units from willing donors within the college community.
- b) To educate participants about the process of blood donation, its significance, and how it can potentially save lives.
- c) To create a positive and encouraging environment for potential donors to overcome any fears or misconceptions associated with blood donation.

3. Pre-Camp Preparations:

Prior to the event, the organizing committee took several important steps to ensure the smooth execution of the blood donation camp:

a) Liaison with Blood Banks: The organizing committee collaborated with blood banks and hospitals to arrange for the necessary infrastructure, medical personnel and facilities.

b) Promotion and Awareness: Circular, Digital Signage and social media platforms were utilized to create awareness about the event. Information about the eligibility criteria for blood donation and the benefits of voluntary donation was disseminated.

c) Registration and Screening: A registration process was set up to streamline the donor registration and screening process. Potential donors were pre-screened for eligibility criteria to ensure their safety during the donation process.

4. Event Execution:

The blood donation camp commenced at 9.45am at Physics Lab, D – block . The event witnessed an overwhelming response from the college community. The steps taken during the camp were as follows:

a) Registration and Medical Check-up: Donors registered and underwent a thorough medical screening by Doctor (Dr.Yuvaraj) to ensure their eligibility for blood donation.

b) Blood Donation Process: The blood donation process was carried out in a highly organized and hygienic manner by the medical team. Each donor's vital signs were monitored throughout the process to ensure their well-being.

c) Post-Donation Refreshments: After donating blood, donors were provided with refreshments (Juices and Biscuits) to help them recover their energy and maintain their well-being.

Subject: Request for Conducting Blood Donation Camp

To: YRC Muthayammal <yrcro@muthayammal.in>

Respected Sir,

Sub:- Request for Conducting Blood Donation Camp

It is indeed a pleasure to bring it to your attention that This Blood Bank which is run by A non-profit organisation - Maruthi Blood Bank and Research Foundation has been authorized by the Government of Tamilnadu to conduct Blood Donation camps. It appreciable that your esteemed college is encouraging in lot of social works which includes blood donation camps in your campus to achieve safe blood transfusion for our Nation.

We hereby express our wiliness to work with you for a social cause in the aspect of giving awareness on Voluntary Blood Donation , thereby motivating students to come forward to be a voluntary donor. Our experience with other institutions have proved that these types of awareness programs has a positive effect.

Thus I request you to consider conducting a blood donation camp at your premises for which all the supports would be rendered from this blood bank.

Thanking you

Yours Truly

(S.m.venkatachalam)

6. Impact and Benefits:

The blood donation camp had a significant impact on the college community and beyond:

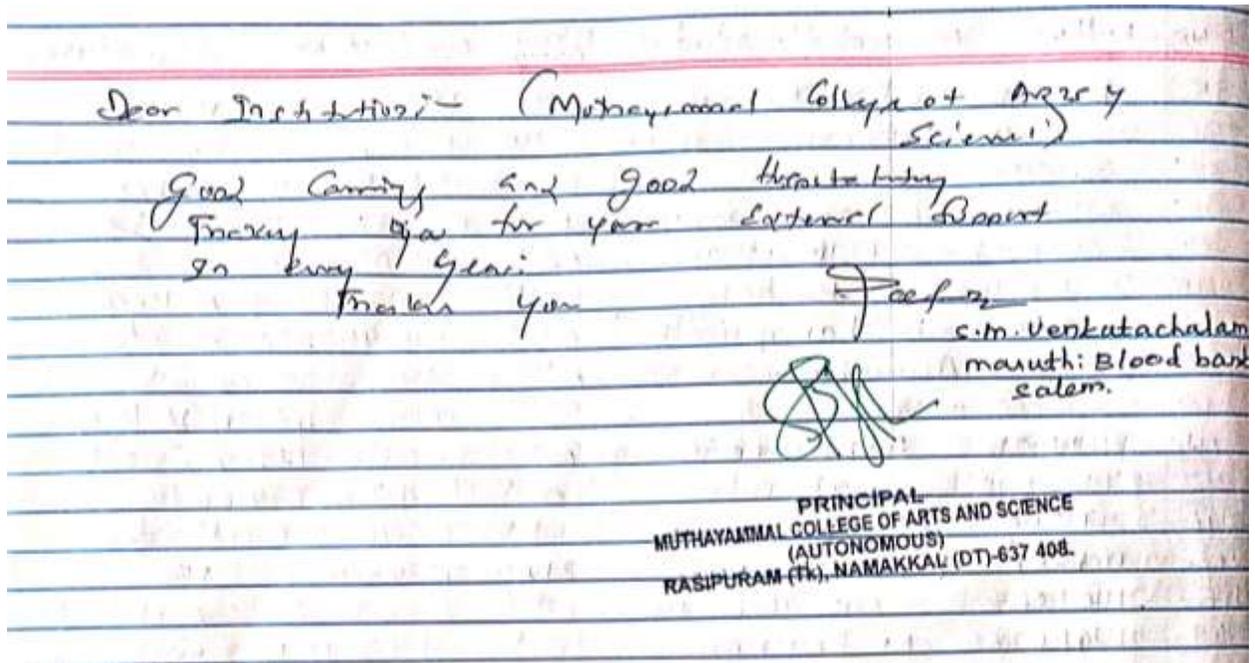

- a) Lives Saved: The donated blood units have the potential to save numerous lives, especially in emergencies and medical treatments.
- b) Awareness: The camp successfully raised awareness about the importance of voluntary blood donation and dispelled myths and misconceptions about the process.
- c) Community Engagement: The event fostered a sense of unity and social responsibility within the college community, encouraging them to actively participate in such humanitarian activities.

Feedback:

YRC & RRC

Certificate of Appreciation:

7. Conclusion:

The blood donation camp conducted at Muthayammal College of Arts and Science, Rasipuram was a commendable effort towards promoting the culture of voluntary blood donation. The enthusiastic response from the college community and the number of blood units collected showcase the success of the event. By coming together to contribute to this noble cause, the students and staff of Muthayammal College of Arts and Science, Rasipuram have demonstrated their compassion and commitment to saving lives.

YRC & RRC cell extend our heartfelt gratitude to all the donors, volunteers, medical personnel, and everyone who supported and participated in making this blood donation camp a grand success. Such initiatives are crucial in ensuring a steady and sufficient blood supply for those in need.

YRC & RRC

MUTHAYAMMAL COLLEGE OF ARTS & SCIENCE, RASIPURAM

FIRST AID AWARENESS PROGRAMME

ORGANIZED BY

YRC & RRC CELL

DATE: 20/02/2024

OBJECTIVE:

To promote the awareness among the students to act immediately on emergency situation in family, in public and in any circumstances in saving the lives and also creating the social responsibility.

INVITATION:

(FIRST AID AWARENESS PROGRAMME)**

20th February 2023

TUESDAY

02.00 PM

Venue: B block Mini seminar hall

2.00PM Welcome address : Ms.G.Priya, II M.Sc., Microbiology

Guest Honoring :

2.05PM Presidential Address : Dr.S.P.Vijeikumar
Principal
MCAS, Rasipuram.

2.10PM Felicitation Address : Dr. M. Ramamoorthy
Dean, Social Activities
MCAS, Rasipuram.

2.15PM Chief Guest Address : Mr. S.M.VENKATACHALAM
Managing Trustee
Regional Blood Transfusion Centre
Maruthi Blood bank,
Salem.

3.45PM Vote of Thanks : Mr. N.Radhakrishnan,
Co-Ordinator YRC/RRC cell
Asst. Professor
Department of Microbiology

TOPIC DEALT WITH:

1. First aid :

- First aid is the assistance given to any person suffering a sudden illness or injury

- First aid is generally performed by the layperson, with many people trained in providing basic levels of first aid, and others willing to do so from acquired knowledge
- There are many situations which may require first aid, and many countries have legislation, regulation, or guidance which specifies a minimum level of first aid provision in certain circumstances
- Preserve life: the overriding aim of all medical care which includes first aid, is to save lives and minimize the threat of death.
- Prevent further harm: also sometimes called prevent the condition from worsening, or danger of further injury, this covers both external factors, such as moving a patient away from any cause of harm, and applying first aid techniques to prevent worsening of the condition, such as applying pressure to stop a bleed becoming dangerous

2. Hypertension:

- Hypertension also known as high blood pressure (HBP), is a long term medical condition in which the blood pressure in the arteries is persistently elevated.
- Blood pressure is expressed by two measurements, the systolic and diastolic pressures, which are the maximum and minimum pressures
- Normal blood pressure at rest is within the range of 100–140 millimeters mercury (mmHg) systolic and 60–90 mmHg diastolic

- High blood pressure is present if the resting blood pressure is persistently at or above 140/90 mmHg for most adults

3. CPR (Cardiopulmonary resuscitation)

- Cardiopulmonary resuscitation, commonly known as CPR, is an emergency procedure that combines chest compression often with artificial ventilation in an effort to manually preserve intact brain function until further measures are taken to restore spontaneous blood circulation and breathing in a person who is in cardiac arrest. It is indicated in those who are unresponsive with no breathing or abnormal breathing
- CPR alone is unlikely to restart the heart; Its main purpose is to restore partial

YRC & RRC

- The objective is to delay tissue death and to extend the brief window of opportunity for a successful resuscitation without permanent brain damage

FEEDBACK:

- Boys & Girls Student of B.Sc., Biochemistry, Biotechnology, Zoology, (58) departments have attended the FIRST AID AWARENESS PROGRAMME.
- They were eager and willing to participate in this programme.
- They were willing to participate this type of workshop in future
- They greeted the management for arranging this type of workshop which will be helpful in their life.

MUTHAYAMMAL COLLEGE OF ARTS & SCIENCE, RASIPURAM
YOUTH RED CROSS AND RED RIBBON CLUB
HEALTH CHECKUP CAMP

DATE: 26/02/2024

VENUE :

NSS special camp, Arasapalayam, Rasipuram Tk, Namakkal Dt.

OBJECTIVE:

The prime motto of the camp is to carry out a limited health intervention amongst the underprivileged village people. The poor attend these camps to get free checkup. Getting the appropriate kind of health checkup is vital for every human being.

INVITATION:

AGENDA:

- ✘ 09.45 am starts from MCAS
- ✘ 10.00 am reached the village (Arasapalayam)
- ✘ 10.20 am activities started
- ✘ 01.45 pm depart to MCAS form village
- ✘ 02.00 pm reached MCAS

PARTICIPANTS:

STUDENT : 05 Nos (III B.Sc & M.Sc Microbiology)
STAFF : 01 Nos

ACTIVITIES DONE:

Beneficiary : 34 Individuals of the village

Health checkup camps were conducted to carry out a limited health intervention amongst the underprivileged village people. The poor attend these camps to get free checkup. Getting the appropriate kind of health checkup is vital for every human being and while considering it, some important factors like age, lifestyle, family background, and risks are taken into account.

Health examinations and tests at the early stages of the illness can help to cure it faster and save a life before it can cause any damage. One can live longer and healthier only when the individual gets the right kind of health check-up, screening and treatments. Even the most basic checkups can identify underlying illnesses.

CHECKUP DONE:

- Height & Weight
- Body Mass Index (BMI)
- Blood grouping
- Blood SP02
- Blood pressure

- Pulse

MUTHAYAMMAL COLLEGE OF ARTS & SCIENCE, RASIPURAM
VOLUNTEERS DAY CELEBRATION AND
CERTIFICATE DISTRIBUTION CEREMONY

ORGANIZED BY
YRC & RRC CELL

Date: 26/03/2024

Venue: A block Conference hall, MCAS

Objective:

The Volunteers Day Celebration and Certificate Distribution Ceremony held on March 26, 2024, at Muthayammal College of Arts and Science, Rasipuram was a testament to the spirit of volunteerism and community service ingrained within the college community. Organized by the Youth Red Cross (YRC) and Red Ribbon Club (RRC) Cell, the event aimed to honor the selfless contributions of volunteers towards various social welfare initiatives and inspire others to actively engage in humanitarian activities.

Invitation:

Topic dealt with:

1. Welcome Address: The event began with a warm welcome address by the Mr.N.Radhakrishnan, co-ordinator, expressing gratitude to all volunteers for their dedication and commitment towards community service. The importance of volunteerism in fostering social responsibility and empathy was emphasized.

2. Keynote Speech: Dr.S.P.Vijeikumar, Principal delivered a compelling keynote speech, highlighting the significance of volunteerism in addressing societal challenges and fostering sustainable development. The speech inspired attendees to actively contribute towards positive change in their communities.

3. Certificate Distribution: The culmination of the event witnessed the distribution of certificates to all volunteers in recognition of their active participation and dedicated efforts towards volunteer activities conducted by the YRC and RRC Cell. Each (22 volunteers) volunteer received a certificate commemorating their contribution, further validating their role in promoting social welfare and community development.
