pleasant good evening to one and all!

I stand before you to extend a warm welcome to our Most Respected, **Chairman Thiru. K.P. Ramaswamy, VANETRA Muthayammal Institutions!** Respected **Treasurer Tmt. Sulochana Ramaswamy!** Dynamic **Secretary Mr. Muthuvel Ramaswamy!** Respected, **Executive Director Tmt. Manju Chandran !** **Director-Academics Dr.R. Selvakumaran,** Learned Colleagues! Non-teaching staff members! Invited dignitaries! Parents! Well-wishers! Beloved students of this elite institution! Technicians! Press and Media Personnel! Ladies and Gentlemen!

I am happy to welcome you all on the special occasion of 29th Annual Day Celebration. The College Annual Day is the crowning glory of the academic year. It is an important day not only for staff members but also for students, Alumni, Parents, Guests and non teaching fraternity. Be it in present or past times, our management invariably exhibits its philanthropic attitude towards the people. As of now, the college enjoys an “A” Grade status by NAAC. It is to be noted that the college was accorded Autonomous Status in 2021 by UGC.

It is a moment of happiness to tell you a brief history of the college. Our college was bloomed in the year 1994. It offered five Undergraduate Degree courses with 83 students and a handful of the teaching fraternity. Currently, there is a gradual improvement in terms of strength. The total number of teachings on the roll is 220 (including ML: 11 Staff Members) and the Non-Teaching staff members are 33 in number. The college shows a gradual upward movement in terms of Admission. The number has by and large augmented (**Total Strength: 3963** (UG-; 3453 PG-510 & Research Scholars: 10)

I take much delight in expressing my gratitude to all our teachers who have worked round the clock to improve upon the standard of the college. Though our college is situated in a barren terrain backward area, it attracts the attention of stakeholders. It is of interest to note that students from foreign countries evinced a special interest in continuing their studies in our college.

We offer a lot of programmes in the domain of Arts, Science and Commerce at both Under Graduate and Post Graduate level. Today, 17 Degree courses at the Under Graduate level and 10 at Post Graduate level are offered to our students.

Besides, Four new programmes are going to introduce from the next academic year :

1. BSc Data Science
2. BSc Information Technology
3. BSc IOT (internet of things)
4. BCom (Professional Accounting)

In addition to these courses, we are genuinely interested in developing the culture of research in the Departments of Biochemistry, Microbiology, Biotechnology, Commerce, Physics, Computer Science and Chemistry. Interestingly enough, the College opens various Alumni chapters in Salem, Chennai, Bangalore and Bhutan.

I am extremely happy to present you the Annual Report, brimming with triumphs of the teaching fraternity and the students' community during the Academic year 2022-2023.

Academic achievements

We are aware of the fact that education plays a remarkable role in shaping one's life. In understanding this factor, we adopt various teaching methodologies to groom our students. At the same time, we take conscious efforts to make them industry ready by improving upon their soft skills. I am proud of the fact that a large number of students expanded their horizons by attending webinars, seminars, workshops and quiz. We are good at adopting peer learning method of teaching and vigorous coaching. Conducting test is really useful for students. To hone up their academic competence in the University examination, we conduct a series of remedial coaching classes in the interest of our students. It gives me a great pleasure to state that enrichment classes are also conducted for the sake of meritorious students to make them as a university Gold medalist /Rank holders.

In the April/May 2022, University examination, **four of our students** got university first ranks for which the university honored them with a gold medal during the convocation of Periyar University, Salem. Our students secured 16 University Ranks. While appreciating

the academic caliber of these Students, I congratulate our competent teachers who have taken special efforts in drilling these students.

I am happy to announce that our college has bagged gold medals in the galaxy of the colleges which are affiliated to Periyar University. The details are listed below.

English Communication Laboratory

It is a fact that English has become a global language. Without the knowledge of English, employability will be a question mark. In keeping this view, the Management has set up a modernized laboratory to hone up their communication skills of our students. I really appreciate Ms.Nishanthini for her effort in shaping the knowledge of our students in English.

Curriculum development cell

Curriculum development cell adopts some methods to strengthen the curriculum by forwarding the feedback received from students & staff to BOS of University. Curriculum Development Cell was headed by Dr.Shakitha , Asst. Professor, Department of Microbiology. CDC Cell has created awareness about syllabus framing for autonomy and initiated Board of Studies members list for all the departments as per UGC rules.

Magazine Committee

The Magazine committee has taken pain taking effort to hone up the student's creative skill. The main objective of this committee is to shape and sharpen their multifarious intelligence. We kindle student's creativity and encourage them to write their master piece in order to enhance knowledge management. By the same token we publish News Letter in Tamil every year. Besides publishing News Letter, Magazine Committee takes up ownership in publishing Fortnight News in both English and Tamil periodically. Mr.Rathinam , Heading the Communication and Magazine committee.

Grievance Cell

A Grievance Redressal Cell has been instituted and has been in activation. The co-ordinator **Mrs. T.Madhumathi**, Assistant Professor of English and the Assistant co-ordinator **Mrs.G.Kalaimani** , Assistant Professor of English have been quite considerate to collect grievances of all sorts pertaining to the institutions and forward the grievances to the Principal **Dr.S.P. Vijeikumar**, and the members of the management for addressal and redressal. The cell is effortlessly processing the grievances and playing a dynamic role in finding amicable and instant solutions to most of the grievances.

Grievances have been collected and sorted out under various categories as follows:

1. Academic / Infra
2. Ladies hostel
3. Boys hostel
4. Transport
5. Canteen
6. Teacher's partiality among students
7. Classroom activities
8. Caste discrimination
9. Mess
10. Online Grievances

Transport

Mr.A. MohandAss Gandhi, Asst. Prof. Physics is presently serving as Transportation Planning Co-ordinator. It is interesting to note that a majority of the students of this institution belong to lower middle class. Due to their socio-economic conditions, these students are likely to continue their education as day scholars. To make travel easy and comfortable for all these students, our management is trying to operate as many buses as possible. At present, we have a fleet of 75 buses operated in 75 Routes. The buses operate in

different routes covering a radius of about 60-90 Km. 2985 students and 170 Faculty Members of teachers are currently making use of this facility. Bus detail as follows
