TOPIC DEALT WITH:

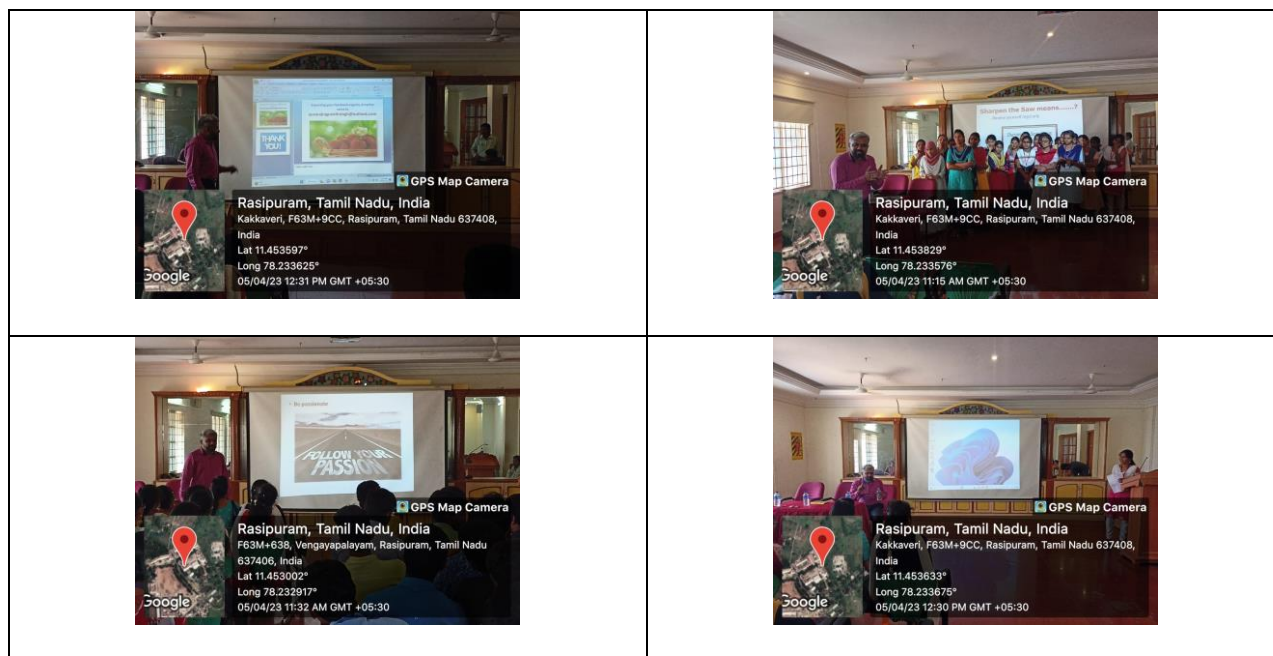

Sharpen the Saw means preserving and enhancing the greatest asset you have—you. It means having a balanced program for self-renewal in the four areas of your life: physical, social/emotional, mental, and spiritual.

As you renew yourself in each of the four areas, you create growth and change in your life. Sharpen the Saw keeps you fresh so you can continue to practice the other six habits. You increase your capacity to produce and handle the challenges around you. Without this renewal, the body becomes weak, the mind mechanical, the emotions raw, the spirit insensitive, and the person selfish.

- ✓ Focus and act on what you can control and influence instead of what you can't.
- ✓ Define clear measures of success and a plan to achieve them.
- ✓ Prioritize and achieve your most important goals instead of constantly reacting to urgencies.
- ✓ Collaborate more effectively by building high-trust relationships.
- ✓ Influence others by developing a deep understanding of their needs and perspectives.
- ✓ Develop innovative solutions that leverage diversity and satisfy all key stakeholders.
- ✓ Increase motivation, energy, and work/life balance by making time for renewing activities.
