

MUTHAYAMMAL COLLEGE OF ARTS & SCIENCE, RASIPURAM

Affiliated to Periyar University –Salem

NAAC “A”Grade Accredited ,2(f) & 12 (b) & Autonomous Status Institution

BEST PRACTICE I

TITLE

Corporate Social Responsibility

OBJECTIVE

- To prepare the students to meet the industry expectations.
- To train the students in the Employability skills, Basic Corporate etiquette and Aptitude skills.
- To promote economically underprivileged students.
- To promote the Women empowerment.

CONTEXT

There is a big gap between the industry and academia. Due to this, Students are not fulfilling the skills which industry are actually expected. Besides, competition level has increased in the job market.

THE PRACTICE

The college was brought the CSR activities of TCS and Infosys inside the campus to promote our students. Infosys was providing the CSR activities in the name of the student's development program as well as TCS is providing the CSR activities in the name of Affirmative Action. The training would happen batch by batch. We are admitting the students based on the company batch size. The company appointed trainers were handled, the classes. The training would be on communication, Presentation, team building, corporate etiquette and written test. The trainers are handling the class through activity class based. All students participate the events and showcase their skills. This training is building the student confident level and leadership quality. The student's attendance is very important. End of the training students will get the certificate.

EVIDENCE OF THE SUCCESS

The training session was handled by the well-trained trainers. So, the training session was very informative. Students confident level had increased in terms of communication, presentation skills. The outcome of the training was very good. Maximum students got placed in well reputed companies.

PROBLEMS ENCOUNTERED AND RESOURCES NEEDED

Initially, the CSR activities had been conducted through physical mode. But, Due to the Covid-19, the training was conducted through online mode. The problem was an online training because the online training was a new method of training for the students. Due to the online training, the students have to use advanced mobile phones or laptop with high bandwidth internet connection. It is a big challenge for the students.

PROOF

In it for good.

Bring everything.

Know-how.

Master the journey.

Building on belief

Youth Employment Program

Certificate of Accomplishment

Proudly presented to:

MEGALA P

of MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE for completing training under TCS Youth Employment Program for Graduates to get Industry ready

Joseph Sunil Nallapalli
CSR Head India

BEST PRACTICE II

TITLE

English Communication Laboratory

OBJECTIVES

- To provide the training on the basic grammar
- To promote the students in Written and oral communication
- To prepare the students to meet the global standard

THE CONTEXT

Most of the students had been joined the college socially and economically backward class. Besides, most of the students completed their schooling in their regional language. So, it might be very difficult for our students to meet the global standard.

PRACTICE

The college has a communication lab specifically for training the students in English communication. The training software was installed on all the machine. Weekly one hour allocated for each department. These trainings were provided to all the first-year student. But, Due to the pandemic situation, The English communication training was conducted in blended mode. Students were attended online training through google meet and physical training in communication lab. The separate coordinator has been appointed for handling all the training activities. The separate attendance register is there to maintain the student's attendance.

EVIDENCE OF SUCCESS

Before starting the training, entry test was conducted for the first-year students. The entry test mark has been recorded for the future reference. Due to the pandemic situation, The Questions were prepared on google forms and send it through their mail ids and received the replies with the automated valuation marks. The question was consisting of basic grammar. After the training the, exit test was conducted. After the exit test, we came to know that, the student's level of English communication had improved.

PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED

Students were faced Technical issues and network issues faced while sending forms and obtaining forms through online. Students could not get real impact of communication lab through online mode

MUTHAYAMMAL COLLEGE OF ARTS & SCIENCE
