Annual Report 2014 – 2015

Respected Chief Guest of the college day function **Mr.C.K.Kumaravel, CEO, Naturals Salon & Spa, Chennai!** Esteemed **Chairman Thiru K.P. Ramaswamy,** Muthayammal Educational and Charitable Trust! Distinguished **Secretary Mr. Muthuvel Ramaswamy!** Dynamic **Executive Director Mrs. Manju Muthuvel!** Learned Colleagues! Non-teaching staff members! Special Invitees! Parents! Beloved students of this institution! Technicians! Press and Media Personnel! Ladies and Gentlemen!

As the head of the institution, I take immense delight in extending a warm welcome on the eve of 21st Annual Day celebration. I am delighted and elated to present you the 21st annual report of our College. The academic year 2014– 2015 was a watershed moment in the annals of our college mainly because of NAAC. We know pretty well that NAAC Peer Team members paid a fact finding visit to our college for the first cycle of NAAC accreditation. I feel honor bound to tell you that our college is accredited with **A Grade** for the first cycle of NAAC Peer team visit. Now I would like to concentrate only on nucleus aspects. Bloomed in the year 1994, it offered five Undergraduate Degree courses with 83 students and a handful of Faculty members. Within a short period of its establishment, the college was grown from strength to strength. The number has swollen from 83 to 4837(UG-4053; PG-671; M.Phil-96; Ph.d-17).As of now, it has blossomed into a renowned model educational institution noted for its quality of education with a sense of discipline. The total number of teaching on the roll is 212 and the Non-Teaching staff members are 83 in number.

I wholeheartedly appreciate all our mission oriented knowledge facilitators who are religiously dedicated themselves for the betterment of student. Though our college is situated in a barren terrain backward area, it attracts the length and breadth of India. Moreover, students from foreign countries like Somalia, Rwanda and Yemen etc. are also studying in this college.

We presently offer 16 Degree courses at the Under Graduate level and 15 at Post Graduate level. We promote Research ambience in the Departments of Biochemistry, Microbiology, Biotechnology, Commerce, Physics, Mathematics, Computer Science and Chemistry.

Academic achievements

We, the management, the principal and the staff have a realization of the fact that students must make it a point to complete their course with flying colors and also get the degree in the long run of the course period. With a noble view to achieving these objectives, we advocate some innovative methods in pedagogy. Since we live in an age of Information and Technology, we adopt some technological tool to enhance the quality of teaching. I take pride in revealing the fact among the 86 colleges affiliated to Periyar University, our college is the first to introduce E-notes in the innate interest of our students. I can authentically say that there are several students who expanded their horizons by accessing E-notes. We meticulously adopt peer learning method of teaching and vigorous coaching besides administering home test, unit test, mid-semester and model examination. Students who fail to

show their academic caliber in University examination are given remedial coaching so as to enable them to stoutly face the examination. Besides conducting remedial classes, enrichment classes are also administered for the immense benefit of meritorious students to make them as a university Gold medalist /Rank holders. Student's attendance percentage, behavior pattern, marks secured in various examinations is periodically intimated to the parents.

In the April/May 2014, University examination, eight of our students secured university first ranks for which the university honored them with a gold medal during the last convocation held on 16.09.2014 at Periyar University, Salem. Our students secured 51 University Ranks mentioned below. While congratulating these students, I have high admiration for the teachers who are mainly responsible for this singular victory.

It is rather remarkable to point out that our college has the unique distinction of being the first in harvesting gold medals in the galaxy of the colleges affiliated to Periyar University

Teachers Performance

Statistically speaking, there are 212 teaching staff in our college. The management and the teachers attach much more importance to discipline. Henceforth, we stressed that the students of our college should be provided sound education coupled with discipline. We leave no stone unturned to achieve these objectives. We fairly know that parents admit their wards in this institution with great faith and confidence. We strive every nerve to fulfill these aspirations. Many of our teachers have achieved 100% pass in the subjects they handled. Our management encourages these fabulous faculty members by rewarding them at the time of annual day function. I feel glad to inform you that **126 teachers** have achieved 100% passes in the subject they handled. More information in this connection is provided below.

Invited lectures

In addition to traditional class room lectures, we always arrange for special lectures for the benefit of academia. Experts in the subjects and resource persons and scientist from various universities are invited for this purpose. This practice had a perennial impact on the students community. During this academic year also, we organized many special lectures the details of which are furnished below.

S.No	Date	Department	Title	Resource Person
1	14-09-2014	Biotechnology	The functional role of Toll-like receptors (TLR) in innate and adoptive immunity”.	Dr. Senthilkumar Balakrishnan, Professor (Associate), Dept. of Medical Microbiology, Haramaya University, Ethiopia
2	16.09.2014	Chemistry	Nanomaterials for Energy Storing	Dr. K. Saminathan, Associate Professor and Head (Academic), Dept. of Nanoscience and Technology, KSR College of Technology, Thiruchengode
3	19.09.2014	PG CS	Guest Lecture on Dot Net Framework	Mr.M.Anandhakumar, Senior Software Engineer & Training Head, Mahendra Nextwealth IT India PVT Ltd, Bangalore.
4	26.09.2014	UG Computer Science	Computer Networking	Mr.S.Sathish, Assistant professor, Dept of Computer Science, Periyar University

Workshop Conducted

For the benefit of our students Workshops, were conducted in the Academic year 2014-2015. The Details are given below

S.No	Date	Department	Title	Resource Person	No. of Participants
1	18/8/14	English	American Poetry & English for Competitive Exam	Dr. Noel Joseph Irudhayaraj, Former Head, Department of English, Bharathidasan University, Trichy Dr. K.T. Tamilmani, Head, Department of English, Neru Memorial College, Puthanampatti, Trichy	200
2	17/09/2014 to 18/09/2014 and 22/09/2014 & 23/09/2014	Textile and Fashion Design	TUKA CAD Workshop	Mr. Sthiyaraj, CAD designer, c Cube Erode	09
3	03/09/2014 to 05/09/2014	Textile and Fashion Design	Fashion Sketching Workshop	Mr..K.Sreedhar Artist & Photographer, Kalalaya Arts Erode.	30
4	09/01/2015	Electronics and Communication	Industrial Automation	Domni John, Managing Director ,Ben Tech Automation, Chennai	90
5	24/02/2015 to 28/02/2015	Textile and Fashion Design	TUKA CAD Workshop	Mr. Sthiyaraj, CAD designer, c Cube Erode	27

International Research Congress

Seminar in general, provides an ample opportunity to students in order to expose and equip themselves in the ultra modern developments explained by great scientist/experts in various discipline. Keeping this veritable view in mind, Academy of Computer Sciences organized One day International Research Congress in Engineering and Technology on 25.01.2015 Dr. Kannan Jegathala Krishnan, Victoria University, Melbourne, Australia and Mr.R.Jayaprakash, Managing Director JP InfoTech, Pondicherry were the chief guests of this

programme. 100 participants attended. At this juncture, I appreciate the efforts taken by Academy of Computer Science for the remarkable of 'Pixel show' 2015 too.

I also appreciate the Departments of Biological Science and Physical Sciences for the MCAS BIO-2015 and SPEC-2015 a rip roaring success.

Conference/Seminar

S.No	Date	Department	Title	Resource Person	No. of Participants
1	9 th & 10 th January 2015	Departments of Biological Science	Recent Advances in Biological Sciences Towards Sustainable Development MCAS BIO-2015	Dr. S. Umeshkumar, CFTRI, Mysore, Dr. P. Rajendran, Principal, PSG CAS, Coimbatore	721
2	21 st Feb 2015	Department of Chemistry, Physics and Electronics and Communication	Micro Electro Mechanical System SPEC-2015	Dr. R. T. Rajendra Kumar, Reader, Department of Physics, Bharathiar University, Coimbatore Dr. I. V. Muthu Vijayan Enoch, Associate Professor & HOP, Department of Chemistry, Karunya University, Coimbatore Dr. S. Muruganand, Associate Professor, Department of E & I, Bharathiar University, Coimbatore	197
3	28 th Feb. 2015	Academy of Computer Science	Tips & Tricks of IT"- PIXEL SHOW'15	Mr. V. P. Ponnuswamy , Head-HR - Reckitt Benckiser of Scholl India Ltd, Chennai & Mysore	400

A short movie competition was conducted for the Bioscience students and Computer Science students in their respective seminars. In this competition, students were encouraged with cash prizes.

CA Course Career Guidance Programme was organized Department of Commerce on 14.08.2014 CA.V.Jayaprakash, Chairman, SIRC of ICAI, Salem as a Resource person. 326 participants were participated.

English Communication Laboratory

The international community inhales English. English is omnipresent and it makes its existence imminent in every nerve of the globe ranging from a lay man's activity to space science. In accordance with the utility value of English, the management has established English communication Laboratory to enhance the communication skills of the students in English. Mr. S. Rathinam, Department of English, has been the Head of the communication laboratory up to August 2014. From 1st Sept 2014 onwards Mr. U. Mohamed Iqbal was promoted as a Head, Communication Lab.

Some of the activities of communication laboratory are enumerated below:

- The laboratory functions on all working days with a regular time-table
- Students can utilize its service during lunch break and between 4.30 pm and 5.30 pm
- "Bridge Course" for the new entrants (I UG) has been conducted

- Orientation Programme for the M.Phil scholars have been organized with a view to strengthening their English.
- “A Refresher Course” for the staff forms the part of its schedule
- It lends a supportive role to teach some day-to-day English to the students of Community college
- It supplements the students who look for placement with soft skills
- It promptly guides and encourages the students to appear for some examinations like TOEFL and TOEIC
- I am proud to state that Muthayammal College of Arts & Science stands head and shoulder above all affiliated colleges to Periyar University in conducting BEC to students.

The following table shows the month wise number of entries made in the communication lab:

Months	No. of Entries	Remarks
June'14	3105	Regular
July'14	5038	BEC Orientation
August'14	2999	Mid Term & BEC Training
September'14	5983	I UG Bridge Course

1. Through the placement cell, three of our staff went to Infosys, Mysore to participate Global Business Foundation Skills (GBFS) programme for 10 days.

Mr.Sivarama Karthikeyan, Asst. Prof in English

Mr.Ravi,Asst.prof in PGCS

Ms.Sharmila Banu Asst.Prof.in BBA

2. The Placement cell Conducted Career Guidance Programme for I Year students in association with IMPACT Coimbatore for 2 days. We have invited DR.S. Krishnamoorthi as Chief Guest.
3. The placement cell conducted Free Placement training programme for II Year Students in association with Lider consultancy, Chennai and we are providing Free in house training also.
4. The cell has been conducting Free Placement Training programme for final year UG and PG students throughout the year.
5. The placement cell organized **seven** on campus interview and also our students attended **three** off campus interview.
6. Faculty development programme was organized for the benefit of our staff members in association with Helikx Company. Totally 42 staff members participated.

In special mention, TCS, Chennai, went to the extent of honoring our college on 05.03.2015 by giving appreciation award for our college partly because we enormously supported them for conducting interview in a smooth manner. Our college basks in the glory of getting this precious award from TCS for the first time in the annals of Periyar University, Salem.

I happily appreciate the placement cell team members for their tireless effort.

Library

Talking about library, up to 2014, there were two libraries in our institution. While one was meant for MCA degree students alone and the other was meant for all students. It gives me immense pleasure to point out at this juncture that our library is renovated with all modern facilities. Our library has been shifted to new location (Above Canteen-First Floor) with spacious for readers. It facilitates Bar coding technology and introduces OPAC system for users. Our library accommodates with 24,199 Books (Central Library -17876;MCA Library-6323).I feel proud to announce that we are subscribing as much as good number of national and international journals. It is a matter of gratification that research scholars pursuing M.Phil /Ph.D., degrees and the post graduate students who have to submit projects make good use of these journals. Our college, being a member of N-list programme we are privileged to access 3100 e-journals and more than 75,000 e-books.

We purchased Books worth of Rs.210026 and Periodical worth of Rs.134730 last academic year. I take this wonderful opportunity to appeal to all students to spend quality time in the library and cultivate reading habit which is an important method to enrich their fount of all knowledge.

IQAC

With the main objective of getting accreditation from NAAC, IQAC was established in the year 2011. Mr.S.P.Vijeikumar, Associate Professor of Biochemistry, has been functioning as its co-ordinator. I take this historic opportunity to congratulate IQAC co-ordinator and its team members for their strenuous effort in preparing a detailed flawless Self Study Report (SSR) and evaluation report of all departments which were presented before the NAAC Peer Team. NAAC Peer Team visited our college during 5th -7th February 2015. Now our college is accredited with A grade. In this connection, I offer my profound gratitude to IQAC for their unbending commitment towards NAAC.

Qualification improvement by staff members

Our Management always encourages the staff – members to go in for higher degree such as M.Phil, Ph.D etc. During this academic year, Four of our faculty members defended their Ph.D. findings and successfully completed their doctoral degree and also seven staff members completed their M.Phil., Degree and one staff member completed MBA Degree. I extent my heartiest congratulations to our staff members.

Hostels

Hostels are established for the benefit of students who hail from far flung areas. Strictly speaking, there are 3 hostels namely UG Boys Hostel, PG Boys Hostel and Girls Hostel. Besides our college students, students from our sister concern polytechnic institution are also accommodated in these hostels. At present, our boys "hostel is sheltering 265 Students 1 M.Phil scholars. Similarly our girl's hostel has 193students and 7 M.Phil scholars, under its protective wings. Hostel student's parent meeting was conducted on 02.08.2014. Muthayammal College with its state of the art facilities provides an intellectual atmosphere

for our inmates to concentrate more on academic enrichment. Since Hostel is a home away from home, we celebrated Hostel Day on 28.02.2015 in a grand manner.

Consultancy and Research Cell

Consultancy and Research cell has been functioning in this college under the headship Dr.A.Palanisamy, Head, Biological Science since 2011. A research journal titled, “MCAS Journal of Research” is brought out by the cell and the cell advises all the staff and students to publish their research findings in it. The primary function of this cell is to get the projects from government agencies like DST, DBT, ICMR, UGC, TNSCST, etc. Apart from this, this cell organizes various programmes for the benefit of the research scholars. The following table provides the details about various programmes conducted under the aegis of this cell.

Tutorial-Ward System

Tutorial ward system plays a major role to minimize the student's problem and motivated them to concentrate on their studies. In this academic year, 1437 students were benefited. 154 staff members were involved in this process. This system was functioning under the Head, Mrs. L.Gomathi, Asst. Prof. of BCA.

Entrepreneurship Development Cell

In the present cut-throat competitive world, every one can't afford to get govt. job. It is the prime duty of this cell to create awareness among the students to be job provider rather than job seeker. Dr.R.Ramaa Baanu, Associate Professor of commerce is the co-ordinator of this cell. During this academic year, one programme was conducted by this cell. Detail is provided below:

Date	Title	Resource Person	No. of Beneficiaries
11.09.2014	Innovation – Essential for young entrepreneurs.	Dr.R.RamaaBaanu	60

Transport

In the post independence era, the literacy rate of our country has steadily been increasing. Now people belonging to the poorer section of the society also would like to provide good higher education to their wards. It is to be noted that majority of the students of this institution belong to lower middle class. Due to their socio economic conditions, these students like to pursue their education as day scholars. To make travel easy and comfortable for all these students, our management is increasingly trying to operate as many buses as possible. At present, we have a fleet of 67 buses. The buses operate in different routes covering a radius of about 60-70 Km. 3405 students, besides a good number of teachers are also making use of this facility.

In this Academic year Our Hockey Team (Men) created a new history. This is the first time our Hockey Team (Men) has bagged the Winners position in intercollegiate Hockey Tournament.

Conclusion

In the light of my presentation, it is obvious that the academic year 2014 – 2015 has been an eventful and yet another successful year in the annals of Muthayammal College of Arts & Science. Students, in general, have done well both in academics, and sports and games. I take this golden opportunity to congratulate all the staff members and students for their excellent performance. Before I conclude, let me pray to the lord Almighty for all of your good health, happiness, prosperity and success.

Thank you very much,

Dr. R. SELVAKUMARAN
