I stand before you to extend a warm welcome on the eve of 24th Annual Day celebration. It is my proud privilege to present you the 24th Annual Report of our College. Established in the year 1994, it offered five Undergraduate Degree courses with 83 students and a handful of Faculty members. Today, there is a drastic improvement in terms of strength. The total number of teaching on the roll is 248 and the Non-Teaching staff members are 34 in number. The college shows a gradual upward movement in terms of Admission. The number has by and large augmented (**Total Strength: 5566**(UG-4863; PG-625; M.Phil-59; Ph.D-19).

I take this historic opportunity to appreciate all our goal-oriented knowledge facilitators who have religiously dedicated themselves for the robust growth of our students. Though our college is situated in a barren terrain backward area, it attracts the length and breadth of India. It is interesting to note that students from foreign countries evinced their genuine interest in studying in our college.

We now offer 18 Degree courses at the Under Graduate level (B.Sc., Statistics was introduced during this academic Year) and 15 at Post Graduate level. Apart from these courses, we aimed at promoting Research ambience in the Departments of Biochemistry, Microbiology, Biotechnology, Commerce, Physics, Mathematics, Computer Science, Chemistry, Statistics and Tamil. The College has a dynamic Alumni Association with chapters in Chennai and Bangalore. I as a Principal, have the greatest pleasure in informing you that the college is on the threshold of its silver jubilee in 2019. We are now gearing up to mark the silver jubilee by launching a new number of programmes in a grand manner. I take pride in saying that we are the pioneer in introducing the scheme of Helicopter jolly ride in our region. Helicopter ride was really a feather in the cap of MCAS. A host of academic activities are also on the cards.

Transport

Mr.D.Ranjithkumar, Asst. Prof. Tamil is presently serving as Transportation Planning Co-ordinator. Now people belonging to the poorer section of the society also would like to provide good higher education to their wards. It is interesting to note that majority of the students of this institution belong to lower middle class. Due to their socio economic conditions, these students like to continue their education as day scholars. To make travel easy and comfortable for all these students, our management is increasingly trying to operate as many buses as possible. At present, we have a fleet of 84 buses. The buses operate in different routes covering a radius of about 60-82 Km. 4602 students and 176 Faculty Members of teachers are also making use of this facility.
